

POLICY NAME:	105.01: Technical/Community College Designation
EFFECTIVE:	04-13-2016
SUPERSEDES:	
SOURCE:	16-60-111.4
CROSS REFERENCE:	

Upon approval by the Board, a System college may be designated a community college or a technical college.

1. For a System institution to be designated as a technical college, the institution must:
 - a. provide career/technical education;
 - b. hold accreditation from the Commission on Occupational Education; and
 - c. submit a request to the Chancellor requesting designation as a technical college.

2. For a System institution to be designated as a community college, the institution must:
 - a. provide both academic and career/technical education;
 - b. hold accreditation from the Southern Association of Colleges and Schools Commission on Colleges; and
 - c. submit a request to the Chancellor requesting designation as a community college.
