TO: Presidents, Alabama Community College System
FROM: Jeff Lynn, Senior Executive Director of Workforce and Economic Development 
RE: Dual Enrollment Funding List

Please find attached the Dual Enrollment Funding List for Fiscal Year 2017-2018. If this list does not completely reflect your college's unique local or regional workforce needs and you would like other program titles added to your college's list, please forward the attached Request to Add a Dual Enrollment Program to the Funding List form to Dr. Jason Hurst, Senior Director of Workforce Development. He will work with you to determine the economic impact and collect workforce demand data to support your request.

Additionally, the list of carry-over program codes is included for those students who are already participating in one of those programs. Funding will be provided for them to continue their studies until graduation from high school.

If you have questions, please contact Dr. Hurst at jason.hurst@accs.edu or 334-293-4517. Thank you.
