- 5. Select report of interest.
  - 5.1 Once report type is selected click on the school(s) and calendar/semester period desired in the "options" block and click "run report".
  - 5.2 Different reports allow various multiples of schools or time periods.
  - 5.3 Some reports also allow you to include or exclude incarcerated students.

- 6. Once the report comes up you can save it in a variety of formats.
  - 6.1 Select the type of format desired (i.e. PDF, XL, ect.). NOTE: Data cannot be manipulated in the current format.
  - 6.2 Select the save option by selecting the icon to the left of desired format.
  - 6.3 The save option lets you open it on screen or save to a file folder.
  - 6.4 To run other reports in the same area simply unmark the current selection and reselect new options and repeat the above process.
