3.28 Managed Print Services for Desktop Printers

At Ameritek we make MPS easy. A customer can pay for each page they print or they can pay for each toner cartridge they buy. They don't have to do both! Either one they choose will cost the same, and they will get the same results: all toner will be sent to their location, onsite maintenance and service, parts and labor included, (all-inclusive), and one invoice at the end of the period! The only difference is the method of calculation.

EX: 5,000 yield toner, Price \$62.50 and the Cost Per Page is \$.0125 per page with MPS (all-inclusive).

Same printer at \$.0125 x 5,000 pages will cost \$62.50 for an MPS agreement, also all-inclusive.

Who should use Cost Per Page MPS? If you have a desktop printer fleet that is all networked to a server and would like to use software to collect the page counts each period this method may be right for you.

- Admin/IT has visibility into the printer fleet
- The exact page count for mono and color will be recorded daily
- Reports are available upon request

Who should use Toner Plus Service MPS? If your desktop printer fleet is mostly non-networked or the network isn't directly reporting to a server, or you do not wish to install software to collect periodic page counts, this method may be right for you.

- Purchasing/IT agrees to purchase all printer toner through Ameritek at contract prices
- ALL printers listed on the contract will be covered
- NO monthly page counts will be needed

They both cost the same in the end, and both programs have their advantages

SPR, Inc., d/b/a Ameritek; 6205 AL Hwy 69, Guntersville, AL 35976

1. **LEASE CHARGES.** Commencement of this Lease and acceptance of the Equipment described above and on any attached schedule shall occur upon delivery of the Equipment to you. You agree to inspect the Equipment upon delivery and verify such information as we may require. You agree to remit to us the Lease Payment and all other sums ("Lease Charges") when due and payable each Billing Period on the date and at the address we provide to you. Lease Payments are due whether or not you are invoiced. You authorize us to adjust the Lease Payments by up to 15% if the configuration or actual cost of the Equipment differs from the supplier's estimate. You agree to pay us all sales, use and property taxes and other charges in connection with this Lease or the ownership or use of the Equipment. Any agreed upon Security Deposit will be held by us, without interest (and may be commingled), until all obligations under this Lease are satisfied, and may be applied at our option against amounts due under this Lease. You agree to pay a document fee of \$75.00. If a payment is not made when due, you agree to pay a late charge equal to the greater of 10% of the amount due or \$25 as reasonable collection costs. Restrictive endorsements on checks you send to us will not reduce your obligations to us. YOUR PAYMENT OBLIGATIONS ARE ABSOLUTE AND UNCONDITIONAL AND ARE NOT SUBJECT TO CANCELLATION, REDUCTION, OR SETOFF FOR ANY REASON WHATSOEVER. THIS LEASE CANNOT BE CANCELED BY YOU FOR ANY REASON, INCLUDING EQUIPMENT FAILURE, LOSS OR DAMAGE.

2. **TITLE; MAINTENANCE; INDEMNIFICATION.** We are the owner of the Equipment. Without our prior written consent, you may not (a) assign any rights or obligations under this Lease; (b) sub-lease the Equipment; or (c) remove the Equipment from the address indicated above. YOU MAY HAVE WARRANTIES AVAILABLE TO YOU FROM THE SUPPLIER OR MANUFACTURER—HOWEVER, WE MAKE NO WARRANTIES TO YOU UNDER THIS LEASE, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. YOU SELECTED THE EQUIPMENT AND THE SUPPLIER. You agree to (a) keep the Equipment in good repair, condition and working order; (b) pay all costs of maintenance, supplies, replacements and repairs to the Equipment; (c) keep the Equipment free of liens; (d) USE THE EQUIPMENT ONLY IN THE LAWFUL CONDUCT OF YOUR BUSINESS, AND NOT FOR PERSONAL, HOUSEHOLD OR FAMILY PURPOSES; and (e) indemnify (reimburse) us for all claims, losses and liabilities resulting from the Equipment including its use, condition or possession. This indemnity shall continue after the term for acts or omissions which occurred during the Term. We may increase the Lease Payments to offset the loss of any tax benefits caused by your acts or omissions or a change in the applicable tax laws.

You agree that this transaction is a true Lease. However, if this transaction is deemed to be a lease intended for security, you grant us a purchase money security interest in the Equipment. YOU AUTHORIZE US TO FILE A COPY OF THIS LEASE AS A FINANCING STATEMENT AND APPOINT US OR OUR DESIGNEE AS YOUR ATTORNEY-IN-FACT TO EXECUTE AND/OR FILE, AT ANY TIME, FINANCING STATEMENTS COVERING THE EQUIPMENT.

3. **RISK OF LOSS; INSURANCE.** You are responsible for and accept the risk of loss or damage to the Equipment. If any item of Equipment is lost, stolen or damaged, you shall repair the item or replace the item with a comparable item reasonably acceptable to us. At your own expense, you agree to: (a) keep the Equipment INSURED against all risks of physical loss or damage for its full replacement value, NAMING US AS LOSS PAYEE, and (b) maintain public liability insurance, covering personal injury and equipment damage for not less than \$300,000 per occurrence, naming us as additional insured. The policy must be issued by an insurance carrier acceptable to Lessor, must provide us with not less than 15 days' prior written notice of cancellation, non-renewal or amendment, and must provide deductible amounts acceptable to us.

4. **DEFAULT; REMEDIES.** If you fail to remit to us any payment within ten (10) days of its due date or you breach any other obligation under this Lease or any other agreement with us, we may do one or more of the following: (a) recover from you, AS LIQUIDATED DAMAGES FOR LOSS OF BARGAIN AND NOT AS A PENALTY, the sum of: (i) all past due and current Lease Payments and Lease Charges, (ii) the present value of all remaining Lease Payments and Lease Charges, discounted at the rate of 6% per annum (or the lowest rate permitted by law, whichever is higher), and (iii) the Fair Market Value of the Equipment; (b) declare any other agreements between us in default; (c) require you to return all of the Equipment in the manner outlined in Section 5, or take possession of the Equipment, in which case we shall not be held responsible for any resulting losses or damages, and to lease or sell the Equipment or any portion thereof, and to apply the proceeds (less reasonable selling and administrative expenses) to the amounts due hereunder; (d) charge you interest on all amounts due from the due date until paid at the rate of 1.5% per month, but in no event more than the lawful maximum rate; (e) charge you for expenses incurred in connection with the enforcement of our remedies including, without limitation, repossession, repair and collection costs, attorneys' fees and court costs. These remedies are cumulative, are in addition to any other remedies provided for by law, and may be

5. **END OF TERM OPTIONS.** If you are not in default, at the end of the Term and upon 30 days written notice to us, you may either (1) purchase all of the Equipment AS-IS, WHERE-IS, WITHOUT ANY WARRANTY AS TO CONDITION, TITLE OR VALUE,* for its fair market value (plus applicable taxes), as determined by us in our sole reasonable discretion, or (2) return the Equipment, freight and insurance prepaid at your cost and risk, to wherever we indicate in the continental United States, with all manuals and logs, in good order and condition (except for ordinary wear and tear from normal use), packed per the shipping company's specifications. You will pay us for any loss in value resulting from the failure to maintain the Equipment or for damages incurred in shipping and handling. If you fail to purchase or return the Equipment, this Lease shall automatically renew for additional thirty (30) day periods and all of the provisions of this Lease shall continue to apply, including your obligation to remit Lease Payments and other charges.

6. **MISCELLANEOUS.** We may, without notifying you, assign this Lease and our interest in the Equipment. If we do, our assignee will have all of our rights under this Lease, but none of our obligations. You agree not to assert against our assignee claims or defenses you may have against us. This Lease is the entire agreement between us, and cannot be modified except by another document signed by us. All financial information you have provided is true and a reasonable representation of your financial condition. You authorize us or our agent to (a) obtain credit reports and make credit inquiries, and (b) release information we have about you and this Lease to third parties. If a court finds any provision of this Lease to be unenforceable, all other terms shall remain in effect and enforceable. You authorize us to insert or correct missing information on this Lease, including your proper legal name, serial numbers and any other information describing the Equipment. If you so request, and we permit the early termination of this Lease, you agree to pay a fee for such privilege. THE PARTIES INTEND THIS TO BE A "FINANCE LEASE" UNDER ARTICLE 2A OF THE UNIFORM COMMERCIAL CODE ("UCC"). YOU WAIVE ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A OF THE UCC. You acknowledge that (a) the name of the Equipment supplier is indicated above, (b) you may have rights under the contract with the supplier, and (c) you may contact the supplier for a description of those rights. We transfer to you any supplier or manufacturer warranties. THIS LEASE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF ALABAMA. YOU CONSENT TO THE JURISDICTION AND VENUE OF THE FEDERAL COURTS IN THE NORTHERN DISTRICT OF ALABAMA AND STATE COURTS IN MARSHALL COUNTY, ALABAMA, AND WAIVE ALL RIGHTS TO A JURY TRIAL. THIS AGREEMENT CANNOT BE CANCELED OR TERMINATED.

DEVICES FOR A BALANCED DEPLOYMENT

Copystar, a KYOCERA Company

**Most Reliable Color Copier MFP Brand
2018–2021**

Kyocera Technology

Copystar, chosen by Buyers Lab analysts as Most Reliable Color Copier MFP Brand, has an extensive line of color devices that offer...

- Excellent reliability, with tested devices completing testing with a misfeed rate of 1 per every 133,929 impressions
- Minimal downtime, as evidenced by the tested devices completing 1,875,000 impressions with no service interruptions

In an office environment, printer and MFP reliability is, and should be, the top concern for business users, since a reliable device helps minimize downtime, resulting in improved worker productivity. As such, Buyers Lab's exhaustive durability testing offers a key benchmark for buyers when making a document imaging equipment purchase decision. To determine the vendors whose product lines stand out above the rest, our highly experienced analyst team has compiled and reviewed performance statistics for every major OEM that submitted devices for laboratory testing from 2012 to 2018.

Copystar's A3 color copiers have always garnered high scores from the Buyers Lab analyst team for excellent color output, fast speeds, and low cost of ownership. However, without a doubt, outstanding reliability is one key facet built into every Copystar device we've tested over the years.

"In our lab testing over the past five years, every single one of Copystar's color copiers demonstrated excellent reliability, with every device scoring 10 out of 10," noted George Mikolay, Associate Director of Copiers/Production for Keypoint Intelligence - Buyers Lab. "In the business world, time is money, and if a device has a jam or is down for service, that is lost productivity. With a misfeed rate that is among the lowest in class and zero service interventions required over more than 1.8 million impressions, Copystar

is a brand users can count on when they need a robust and reliable color copier to keep their team productive."

Congratulations to Copystar on being named Buyers Lab's Most Reliable Color Copier MFP Brand!
