INTRODUCTION

This procedure manual is designed to provide relevant information regarding the procedures that govern the delivery of adult education programs through [Alabama Adult Education \(AAE\)](#), a unit of [Alabama Community College System \(ACCS\)](#).

The Alabama Adult Education, Alabama Community College System is held accountable by the state of Alabama and the U.S. Department of Education's Office of Career, Technical, and Adult Education ([OCTAE](#)) to improve the educational status of adult Alabamians. AAE serves eligible Alabamians who do not have a high school diploma, who function at low levels of literacy, or who want to learn the English language. This is accomplished through the provision of basic skill instruction aligned to academic standards leading to high school equivalency preparation, postsecondary success, and/or gainful employment.

The federal [Adult Education and Family Literacy Act](#), Title II of the Workforce Innovation and Opportunity Act (WIOA), mandates our state to:

- 1) Assist adults to become literate and obtain the knowledge and skills necessary for employment and economic self-sufficiency.
- 2) Assist adults who are parents or family members to obtain the education and skills that-
 - a. Are necessary to becoming full partners in the educational development of their children and
 - b. Lead to sustainable improvements in the economic opportunities for their family.
- 3) Assist adults in attaining a secondary school diploma and in the transition to postsecondary education and training, including through career pathways; and

- 4) Assist immigrants and other individuals who are English language learners in—
 - a. Improving their—
 - i. Reading, writing, speaking, and comprehension skills in English and
 - ii. Mathematics skills; and
 - b. Acquiring an understanding of the American system of government, individual freedom, and the responsibilities of citizenship.

The purpose of the Act is to help adults increase literacy and numeracy activities necessary to complete a high school education or its equivalency; transition to postsecondary education or skills training; and obtain employment.

For more information on the Adult Education and Family Literacy Act, Title II, of the Workforce Innovation and Opportunity Act (WIOA), [click here](#).

ADULT EDUCATION SERVICES

Adult education programs shall offer adult literacy, adult basic education, adult secondary education, and high school equivalency test preparation that increase a student's ability to attain a **high school diploma or equivalent; transition to postsecondary education or skills training; and obtain employment.**

Programs may also offer services in [English Language Acquisition](#), [Family Literacy](#), [Integrated English Literacy and Civics Education](#); workforce preparation, and integrated education and training, including career pathways. Services may include preparation for the 21st century economy which entails problem solving and critical thinking skills that are foundational for college and career readiness; as well as corrections education for those that reside in state institutions, local correctional facilities, or transitional housing for incarcerated or probationary individuals.

In adherence to the [Workforce Innovation and Opportunity Act \(WIOA\) 2014](#), adult education programs shall focus on providing services that measure:

- Demonstrated improvements in literacy skill levels in reading, writing, and speaking the English language, numeracy, problem solving, English language acquisition, and other literacy skills such as digital literacy, financial literacy, and health literacy.
- Placement in, retention in, or completion of postsecondary education, training, unsubsidized employment or career advancement.
- Receipt of a secondary school diploma or its recognized equivalent.

Core services are defined as adult literacy services, adult basic education, adult secondary education/high school equivalency preparation, English language acquisition, integrated English literacy/civics education (IELCE), family literacy, corrections education and workforce education. **Instruction in life skills, employability skills and computer literacy are to be integrated into academic instruction but are not provided as independent instruction.**

Adult education programs shall:

- Use contextualized curriculum that supports high school equivalency and college and career readiness standards
- Provide integrated education and training opportunities leading to career pathways in alignment with local needs and labor market information
- Provide bridge programs to ensure students are successful in postsecondary education and training
- Provide stackable credentials to enhance students ability to achieve gainful employment

- Integrate essential 21st century skills, such as, but not limited to, critical thinking, problem solving, technology usage, team concept, attendance, financial literacy, resume and job application requirements

Adult education providers shall not charge students or employers for instructional or other services covered by state and federal adult education funds.

Programs are required to fully implement standards-based instruction using the Office of Career, Technical, and Adult Education (OCTAE) [College and Career Readiness Standards for Adult Education](#).

Adult Education Program Design

Adult Education programs will:

- Provide free and direct instructional services to eligible adult students on a 12-month basis.
- Operate multiple sites in the service area based on student demand.
- Execute the program in the most efficient manner for maximizing resources, while demonstrating effectiveness.
- Administer services to the entire service area stipulated in the contract/RFP.

ACCS/AE funded programs are expected to provide structured, scheduled, instructor-led learning opportunities resulting in successful student and program outcomes. All local programs are required to incorporate the following elements into their service delivery models:

- Orientation
- Assessments
- Flexible schedules and alternative instructional options based on student demand and need

Orientation

Orientation is an intake process which collects pertinent information related to determining a student's eligibility based on age requirements and academic functioning level; as well as goal-setting and other relevant activities which promote and enhance student persistence and retention in the Adult Education program.

Programs have the flexibility to design their orientation in a manner that best meets the needs of their populations. This may include centralized and/or individualized orientations scheduled on a daily or weekly basis.

Ensuring that students have a positive beginning by providing a welcoming, thoughtful, and thorough intake process increases the chance that learners will continue attending classes. It is very important to use [best practices](#) as they relate to persistence and retention.

While there is flexibility for each local program to design its own orientation, the following are required elements:

1. **Intake** (to include the collection of necessary forms and documents)
2. Determination of each **student's eligibility** based on age requirements and academic functioning level
3. **Goal setting** to formulate the student's path
4. **Learning style Inventory**
5. **Career interest inventory** ([EMSI/Electronic Career Coach](#) is preferred)

Intake is the student's introductory process to the Adult Education program. During intake, all required forms are completed, and necessary documents are collected and reviewed to ensure the student meets eligibility requirements.

A **student's eligibility** is determined at the time of orientation for both age requirements and educational functioning levels (EFLs). Individuals between the ages of 16-18 who request to enroll into an adult education program must provide official documentation of withdrawal from school (see [Memorandum Explaining Guidelines for 16 and 17 Year - Old Students](#)). A student's educational functioning level is determined through the TABE Locator Assessment administered during orientation. A student with a high school diploma must score a scale score equivalent to 12.9 or below on any of the Tests for Adult Basic Education (TABE) to be eligible for services. For more detailed information, see the *Adult Education Student Eligibility* section.

Programs shall have a **goal-setting** process whereby students meet with teachers or an intake counselor to help identify and set goals for instruction. This often takes place during orientation. The best time for this process to occur is when the student first enters the program. The goal-setting process should help students set both a realistic timeline for attaining each goal and a means for determining whether the goal is achieved. Since students often change their goals after they begin instruction, it is often recommended to review goal setting the first few weeks of class.

All programs will administer a **learning styles inventory** for each learner who enrolls in an adult education program.

All programs will administer a **career interest inventory** for each learner who enrolls in an adult education program.

Scheduled Classes

ACCS/AE requires all programs to establish scheduled classes based on student demand, determined through methods such as analyzing student attendance patterns and surveying current students, to ensure that classes are being offered at times when students are most likely to attend. The classes will meet the following requirements:

- Must be taught by a qualified instructor and should use lesson plans aligned with [College and Career Readiness Standards](#)
- Must provide at least six hours of instructional time per week
- Should employ differentiated instruction as necessary to meet the needs of students at various levels.
- Should incorporate technology in the classroom and utilize technology as distance learning opportunities.
- Include various instructional styles, strategies, adaptations and resources to meet the needs of all students, including those with learning challenges.
- Integrate employability and digital literacy skills into academic subjects.
- Must maintain a sign-in sheet with signature or electronic attendance tracking system with unique identifier that accounts for time in class.
- Staffing must be reasonable based on student enrollment.
An ABE/ASE classroom should only include one instructor, unless there are more than 15 students attending the class. A Basic Literacy or ESL class may require additional staffing based on a greater need for intensive support and one-on-one and instruction.
- Class attendance rate should be at a minimum of 50%, with 75% or higher being optimal.

Programs shall set local guidelines regarding:

- Student commitment.
- Student conduct.

Core Services

ACCS/AE-funded programs may provide all the following services:

Adult Literacy

Adult literacy is a program of instruction designed for adults who have minimal or no skills in reading, writing, speaking, problem solving or computation.

Adult Basic Education

Instruction in adult basic education is designed for adults who lack competence in reading, writing, speaking, problem solving or computation at a level necessary to function in society, in the workplace or in the family.

Adult Secondary Education/GED® Test Preparation

Adult secondary education/GED® test preparation provides instruction designed for adults who have some literacy skills and can function in everyday life but who are not proficient in reading, writing, speaking, problem solving or computation or do not have a high school credential.

Students with a high school credential may be served in core services if they score a scale score equivalent to 12.9 or below on the Tests for Adult Basic Education (TABE).

It is strongly recommended that the population without a high school diploma or its equivalent take precedence. In other words, serving the population with a high school diploma or its equivalent, as capacity permits, should not be in lieu of the population without a high school diploma or its equivalent.

English Language Acquisition

English Language Acquisition (formerly referred to as ESL) is instruction that assists individuals of limited English proficiency to achieve competence in the English language. Instruction is geared to adults who want to become more fluent in English, pass the U.S. citizenship test and/or GED® Test, and work on job-seeking skills.

Integrated English Language/Civics Education (IELCE)

These services are provided to English language learners who are adults, including professionals with degrees or credentials in their home countries, and enable such adults to achieve competency in the English language and acquire the basic and more advanced skills needed to function effectively as parents, workers, and citizens of the United States.

IELCE services **must** include instruction in literacy and English language acquisition, and instruction on the rights and responsibilities of citizenship and civic participation, and may include workforce training.

[Integrated English Literacy and Civics Education \(IELCE\) Program Guide](#)

Institutional / Corrections Education

Adult Education may also provide instruction to Institutionalized populations. These services may take place at a local jail, halfway house, state correctional institution or any other transitional housing. This instruction may consist of adult literacy, adult basic education, adult secondary education/GED® test credential preparation and/or English language acquisition for adult criminal offenders. Instruction in life skills, employability skills and computer literacy may be integrated into academic instruction.

Local institutionalized classes need to have the support of the warden and other administrative officers, and have the following available:

- At least six hours of classroom instruction must be made available per week, allowing for sufficient instructional time for meeting the post-assessment policy.
- During instructional time, the correctional facility must dedicate an adequate space that is conducive to learning. The space should have a low-noise level, adequate lighting, a comfortable temperature and appropriate furnishings.
- Inmates (students) should have access to instructional material for additional study outside of the classroom setting.

All corrections education programs must be funded with institutionalized funds, and the designated type of program recorded in AAESAP, the management information system, as “Correctional Facilities” or “Community Corrections”. Any classes other than those in state correctional institutions should be designated as “Community Corrections” classes. Only classes in state correctional institutions should be designated as “Correctional Facilities” classes.

Family Literacy

Family literacy programs are designed to break the intergenerational cycle of under-education by providing **opportunities for parents and their children to learn together.**

Local adult education programs have flexibility in designing and offering family literacy classes. For example, programs may choose to operate a 12-month program, a summer program, or even a series of short, but intensive, family literacy classes. In designing a family literacy program, programs should consider:

- Family literacy does not have a separate enrollment goal. Each family literacy adult student counts toward the original program’s performance and outcome guidelines.
- Components of a family literacy program model include: 1) adult education; 2) Parent and Child Together Time (PACT); 3) parenting education; and 4) children’s education.

- Eligible family literacy participants include at least one child between the ages of birth and 18 years and at least one adult who is responsible for the child's well-being and who is consistently an influence on the child's development.
- The adult student must meet the eligibility requirements for participation in adult education.
- The child education component is to be provided by other local educational agencies. Facilities, programs and services shall comply with local, state and federal regulations for serving children.

College- and Career-Readiness

College-Readiness: The level of preparation a first-time college student needs to succeed in a credit-bearing course at a postsecondary institution.

Career-Readiness: The level of preparation a high school graduate (or high school equivalency graduate) needs to proceed to the next step in a chosen career pathway, whether that is postsecondary coursework, industry certification or entry into the workforce.

College-Readiness components include:

- Providing standards-based instruction using [College- and Career-Readiness](#) standards (higher level thinking and depth of knowledge).
- Establishing and reviewing attainable goals with each student to include short-, mid-, and long-term planning.
- Referring students to appropriate support services both inside the college and with local community service providers.
- Creating useful and relevant learning experiences that encourage career exploration.
- Building community and integrating technology.
- Sorting and delivering learning into manageable pieces.
- Using students' prior knowledge during instruction.
- Providing an environment where mistakes are teachable moments.
- Celebrate milestones.

Career-readiness components:

- Soft skills (non-academic) including critical thinking, computing, reading, writing, communication, problem-solving, team building, use of technology.
- 21st Century skills: collaboration, communication, critical thinking and creativity.
- Contextualizing – Providing standards-based instruction within the context of relevant employability skills and/or career pathway exploration.
- Instruction leading to the National Career Readiness Certificate (NCRC).

- Integrating technology skills within standards-based instruction.
- Instruction leading to GED® credential attainment.
- Providing opportunities for Career Pathways.

Integrated Education and Training (IET) – Career Pathways and Bridge Programs

These programs are those which align adult education, job training, higher education and basic support systems to create pathways to postsecondary educational credentials and employment. IET and workforce activities must also align with OCTAE's [Employability Skills Framework](#), as well as industry standards. The programs will:

- Identify viable labor force occupational demands for family-sustaining wage jobs.
- Provide a seamless transition between adult education and career exploration and training and/or postsecondary education.
- Contextualize standards-based academic instruction.
- Issue stackable credentials, e.g., earning an NCRC, GED® credential and technical certificate.
- Avail students of intensive, wraparound support services, e.g., acquaint students with postsecondary education success coaches and/or navigators.
- Refer students to sources of financial aid for low-income adults, e.g., scholarships, foundations, etc.
- Administer ACCS/AE-approved pre- and post-assessments required to determine eligibility, inform instruction, and assess progress.

To participate in the above programs:

- Students must be eligible for adult education services.
- Students must be entered in Alabama Adult Education System for Accountability and Performance (AAESAP) and in NRS educational levels.

Career Pathway

As stated in WIOA, “career pathway” means a combination of rigorous and high-quality education, training, and other services that—

(A) aligns with the skill needs of industries in the economy of the State or regional economy involved.

(B) prepares an individual to be successful in any of a full range of secondary or postsecondary education options, including apprenticeships registered under the Act of August 16, 1937 (commonly known as the “National Apprenticeship Act”; 50 Stat. 664, chapter 663; 29 U.S.C. 50 et seq.) (referred to individually in this Act as an “apprenticeship”, except in section 171);

(C) includes counseling to support an individual in achieving the individual’s education and career goals.

(D) includes, as appropriate, education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster.

(E) organizes education, training, and other services to meet the particular needs of an individual in a manner that accelerates the educational and career advancement of the individual to the extent practicable.

(F) enables an individual to attain a secondary school diploma or its recognized equivalent, and at least 1 recognized postsecondary credential; and

(G) helps an individual enter or advance within a specific occupation or occupational cluster.

Career Pathways Program

A combination of rigorous and high-quality education, training, and other services that aligns both vertically and horizontally across Secondary Education, Adult Education, Workforce Training and Development, Career and Technical Education, and Postsecondary Education systems, pathways and programs. It includes collaborative partnerships with these entities, business and industry, along with human services agencies, corrections and other community stakeholders, as a foundational structure for sustainability and high quality. Multiple entry and exit points are included to facilitate individuals building their skills as they progress along a continuum of education and training and advance in sector-specific employment.

Adult Education students may participate in credit-based or non-credit classes/programs for career pathway training. For AAESAP data entry purposes, to determine the credit equivalent for a student's completion of a non-credit pathway course/training, the local provider must provide the state AE office with the number of direct instructional hours for the course, and then the state will complete a clock-hour to credit-hour conversion so the local provider can input the completion in AAESAP.

[Integrated Education and Training \(IET\) Checklist](#)

Bridge Programs

Bridge programs prepare adults with limited academic or limited English skills to enter and succeed in credit-bearing postsecondary education and training leading to career path employment in high-demand, middle- and high-skilled occupations. The goal of bridge programs is to sequentially bridge the gap between the initial skills of individuals and what they need to enter and succeed in postsecondary education and career-path employment.

PERFORMANCE AREAS / MEASURES AND OUTCOMES

ACCS/AE identifies annually expected levels of performance for 1) each of the NRS core indicators of performance. These performance levels are negotiated between the State and the Office of Career, Technical, and Adult Education (OCTAE) annually; and 2) State assigned performance goals which are communicated by the ACCS/AE Office to the local programs on an annual basis.

For NRS performance indicators, performance is measured based on the **federal program year (July 1 – June 30)**. For State assigned goals, performance is measured on the **state fiscal year (October 1 – September 30)**.

[National Reporting System](#) (NRS) guidelines require documentation on performance outcomes for each learner enrolled in adult education classes. All programs must place students into an NRS educational functioning level, and examine student learning gains.

Alabama Community College System, Adult Education Division recognizes the following as **core performance areas**:

Enrollment is defined as a student assessed and enrolled 12 hours or more in adult literacy, adult basic education, adult secondary education and English language acquisition. Instruction may take place in correctional institutions, within family literacy services and other venues funded through the core services grant.

Academic performance is defined as the percent of enrolled students eligible for **completing** an NRS educational functioning level(s) (EFL).

GED® goal attainment is based on the population 18 and older without a high school diploma (**American Community Survey 2013 - 2017**) and the county's percentage of the state goal established by Alabama Adult Education (AAE), Alabama Community College System (ACCS).

Achievement of NCRC (National Career Readiness Certificate) Certificates - is based on the number of students who successfully complete the [ACT WorkKeys](#).

Gained Employment - is defined as learners who obtain a job by the end of the first quarter after their exit quarter.

Retained Employment - is defined as learners who obtain a job and remain employed in the third quarter after program exit.

Obtained GED or Secondary School Diploma - Learner who obtained a secondary school diploma or recognized equivalent after exit.

Entered Postsecondary or Training - Learner enrolling after exit in a postsecondary educational institution or occupational skills program, building on prior services or training received.

ADULT EDUCATION STUDENT ELIGIBILITY

Pursuant to Title II of the Workforce Investment Opportunity Act, the Adult Education and Family Literacy Act, eligible students are those individuals who:

- have attained 16 years of age (see [Memorandum Explaining Guidelines for Students 16 & 17 Years of Age](#))
- are not enrolled or required to be enrolled in secondary school under state law; and who:
 - are basic skills deficient or lack sufficient mastery of basic educational skills to enable the individual to function effectively in society.
 - do not have a secondary school diploma or its recognized equivalent, or have not achieved an equivalent level of education; or
 - are unable to speak, read, write, or comprehend the English language.

Eligible students must live, work or be enrolled in postsecondary education in Alabama (an exception to this qualification would be if the student is referred by an Alabama Department of Labor Career Center to an Alabama AE program in a county that is bordered by another state). A student with a high school diploma must score 12.9 or below on the Tests for Adult Basic Education (TABE) to be eligible for services. An English Language Acquisition (ESL) student must be assessed on a state approved ESL assessment.

Individuals who are 16 and 17 years of age, and request to enroll into an adult education program must meet the following:

I. For an Individual 16 Years of Age Who Wishes to Enroll in an AE program:

1. Student must present a notarized, [Certificate of Exemption](#) from the student's last school system attended, **and** a notarized [Parental Permission Form](#);

OR

If the student attended and dropped out of a private school, church school, or private tutor program, the student must present a notarized letter ([Parental Permission Form](#)) from his/her parent or legal guardian naming the school, providing the drop-out date, and

stating the student has dropped out of school, and has permission to enroll in the Adult Education program

2. Student must provide proof of Alabama residency

II. For an Individual 17 Years of Age Who Wishes to Enroll in an AE program:

1. Student must have participated in an exit interview with their high school administration and provide a signed Exit Interview Form.

OR

Student must provide a notarized and signed letter (Parental Permission Form) from his/her parent or legal guardian stating the student has refused to attend the Exit Interview, naming the school, providing the student's drop-out date, and giving parental permission for the student enroll in the Adult Education program.

OR

If the student attended a private school, church school, or private tutoring program, the student must present a notarized and signed letter (Parental Permission Form) from his/her parent or legal guardian naming the school, providing the student's drop-out date, and stating the student has dropped out of school and has permission to enroll in the Adult Education program.

2. Student must provide proof of Alabama residency (unless they qualify for the exception).

*Students, who are 17 years of age and have dropped out of school in a state **other than Alabama**, may enroll in an Alabama Adult Education program if they provide written proof of exit from the high school administration of the other state, along with proof of current Alabama residency.

** Court mandated individuals, ages 16 or 17, must provide official court documentation to enroll in Adult Education and to be administered the GED® Test. A signed court order does not require the student to present a Certificate of Exemption, Exit Interview Form, Parental Permission Form, or evidence of school withdrawal to be enrolled in an Adult Education program or to be administered the GED® Test, but the student would have to submit the Application to Test and the Court Order.

Acceptable Forms of ID which can be used as proof of Alabama Residency for Adult Education purposes are as follows:

- Alabama Driver's License
- Alabama Non-Driver's ID
- Alabama Photo Voter ID Card

- Alabama Employer Issued ID Card (verification of employment from an Alabama employer, such as a paycheck stub or written verification letter, may also suffice)
- Employee Photo ID from any level of government within the state of Alabama (state, county, municipality, board, or other entity of the state)
- Student Photo ID from a public or private college, university, or high school within the state of Alabama
- Photo ID Card issued by Alabama Department of Corrections (DOC)
- Referral by a Career Center (**for our programs in border counties only**)

In accordance with Title VI of the Civil Rights Act of 1964, adult education providers shall not discriminate on the basis of gender, race, color, age and/or national origin in its adult education and literacy programs, activities, employment or admission policies and practices.

Individuals with an **F-1 Visa (student visa)** status are *ineligible* for services and shall “not be accorded a course of study in a publicly funded adult education program.”
[Source: U.S. Immigration and Nationality Act ([Sec. 1101a \(15\)\(F\)\(1\)](#))]

Adult Education Instructors Participating in Adult Education Services

ACCS Adult Education Division strongly discourages Adult Education Instructors from participating as a student in Adult Education services. Adult Education services are provided for individuals who test below a 12.9 grade equivalency on a NRS approved assessment. **If there is a situation where it is deemed necessary for an Adult Education employee to participate as a student in Adult Education services, there must be prior, written approval from the ACCS Adult Education Division, requested by the local Adult Education Program Director.**

No Adult Education employee shall be authorized to self-administer any standardized assessment (for Adult Education purposes) or proctor the same to any individual that may be related by blood or marriage.

Furthermore, no Adult Education employee shall be permitted to enter in AAESAP, or any database, data relative to their own enrollment status, and/or educational levels, or for an individual who is related to the employee by blood or marriage, that directly or indirectly leads to the awarding of diplomas or certificates that are under the auspices of the Adult Education program.

ENROLLMENT

Enrollment is defined as a student assessed and enrolled 12 hours or more in [adult education services](#) including literacy, adult basic education, and adult secondary

education at correctional institutions and through family literacy and English language acquisition services.

Individuals shall be officially enrolled after completion of a proctored ACCS/AE-approved assessment (see “Assessment” section) and in compliance with eligibility requirements.

Distance learning students must complete an ACCS/AE-approved assessment and meet eligibility requirements prior to accessing online courses.

PROGRAM EXIT

Separation will be based on periods of participation (POPs). A period of participation begins each time an individual enters adult education and gets at least 12 hours of service, even if there are multiple entries during the same program year. A participant may have multiple periods of participation in a year and performance is measured for each period. These periods must be separated by 90 days without program attendance.

Program Exit is the last date the participant received services. Exit cannot be determined until at least 90 days have elapsed since the participant last received services.

For more information, see [Periods of Participation in AAESAP](#).

FAMILY EDUCATIONAL RIGHTS AND PRIVACY

[The Family Educational Rights and Privacy Act \(FERPA\)](#) applies to all educational agencies and institutions (e.g., schools) that receive funding under any program administered by the U.S. Department of Education (USDOE). Once a student reaches 18 years of age or attends a postsecondary institution, he or she becomes an "eligible student," and all rights formerly given to parents under FERPA transfer to the student. The eligible student has the right to have access to his or her education records, the right to seek to have the records amended, the right to have control over the disclosure of personally identifiable information from the records (except in certain circumstances specified in the FERPA regulations), and the right to file a complaint with the USDOE. The term "education records" is defined as those records that contain information directly related to a student and which are maintained by an educational agency or institution or by a party acting for the agency or institution.

FERPA generally prohibits the improper disclosure of personally identifiable information derived from education records. Thus, information that an official obtained through personal knowledge or observation, or has heard orally from others, is not protected under FERPA. This remains applicable even if education records exist which contain that information, unless the official had an official role in making a determination that generated a protected education record.

Under FERPA, a school is not generally required to maintain particular education records or education records that contain specific information. Rather, a school is required to provide certain privacy protections for those education records that it does maintain. Also, unless there is an outstanding request by an eligible student to inspect and review education records, FERPA permits the school to destroy such records without notice to the student.

ASSESSMENT

The ACCS/AE assessment policy ([2020-2021 Assessment Policy for Alabama](#)) provides guidelines pertaining to standardized assessment practices for all ACCS/AE-funded programs and meets the guidance from the U.S. Department of Education, Office of Career, Technical, and Adult Education, to describe approved assessments, initial and post-testing requirements, accommodations and training requirements. Adult education providers shall use ACCS/AE's assessment policy in conjunction with publishers' official examiner's manuals and training workshops to determine local assessment procedures. Providers shall follow all guidelines in examiner's manuals and maintain the most current version of the manual for each test used by the program.

Assessment Policy

ACCS/AE's assessment policy provides a framework to measure program effectiveness and provides important criteria for continuous improvement on several levels:

- At the student level, an individual assessment provides valid, reliable information about the student's academic status and progress and allows the student to make informed decisions about goal setting. Providers shall administer an ACCS/AE –approved assessment, such as the TABE Locator, at student orientation or within the first 12 hours of instruction. The lowest test score in a subject area or the subject area most relevant to the student's needs, shall be used to determine a student's entry level. The assessment should be in the subject area(s) in which instruction will be focused to facilitate student goal achievement. However, a posttest gain in any subject area that was pretested can be used as the basis for determining EFL gain.

For more information regarding determination of a student's entering educational functioning level (EEFL) see [Test Guidelines Update](#) in AAESAP.

- All initial assessment results must be entered into AAESAP.
- The program will maintain enrollment forms, assessment forms and the current educational plan on file for five years
- At the program level, accurate assessment data are critical for decision making in planning, instruction, professional development and program improvement. Student assessments help instructors pinpoint student needs and choose appropriate curricula. Aggregate data inform program directors regarding needed improvements and help guide staff professional development.
- If a test has a locator or other placement instrument associated with it, that test should be administered first as a determinant of appropriate content level testing.
- All instructors must follow the test publishers' recommended timeframe for post-testing.
- Assessment instruments must be kept in a secure environment according to test publisher requirements.
- Assessment instruments shall be administered in a proctored environment and in accordance with test publisher and ACCS/AE assessment guidelines.
- At the state and federal level, incentive funding rests, in part, upon student achievement in NRS functional levels. Uniform implementation of ACCS/AE's assessment policy ensures that high-quality accurate data are collected statewide and reported to OCTAE so programs can be compared across the state and nation.

Targeted Instructional Progress (TIP) Test

Accelerated duration students in certain types of targeted instruction and workplace literacy classes may be allowed to progress post-test after completing a minimum of one-half the currently defined publishers' instructional guidelines. The suggested progress post-test procedure will meet the threshold for instructional intensity. This type of testing should be done infrequently and is only allowable for those adult student learners in classes/courses who would otherwise be unable to progress test before the end of the instructional guidelines provided by the test publisher. Being otherwise unable to progress test before the end of the instructional guidelines means that the student will be exiting the program shortly. Learners provided this option must show educational proficiency in the area being tested using a verified form of informal

assessment or teacher observation which is documented in the record or portfolio of work. Each allowance to administering a progress post-test to students before the publisher's recommended hours of instruction must be approved by the local program director and must be noted in the AAESAP data reporting system. The Director's approval must be retained in the records and made available for monitoring review.

Assessment Accommodations

Accommodations for Students with Disabilities or Other Special Needs

Students with diagnosed and documented disabilities from a licensed professional will be granted reasonable accommodations upon request, during pre- and post-testing. The publisher's manuals of the NRS approved assessment tests are consulted to determine proper accommodation procedures in administering assessments for populations requiring accommodations.

Reasonable accommodations for assessment shall be provided to students when:

- a. The student has disclosed the presence of a disability and has provided documentation by a qualified professional of eligibility for accommodations under the provisions of the Americans with Disabilities Act (ADA)/Section 504 and/or
 - b. The adult education program has administered an informal assessment/pre-screening instrument and determined that accommodations are warranted.
- Accommodated assessments shall be in compliance with accommodated testing guidelines, policies and procedures established by the program's fiscal agent.
 - Accommodated assessments shall be in compliance with test publisher guidelines.
 - Typical assessment accommodations for students with a documented disability include large print, extended time, audio-cassette, calculator for math, private room and break time.
 - The accommodation must be specific to the disability and address only the documented functional limitations.
 - Adult educators should note that inappropriate accommodations may lead to inaccurate test results.

National Reporting System

The [National Reporting System](#) (NRS) is the accountability system for the federally funded adult education program, mandated by the [Workforce Innovation and Opportunity Act \(WIOA\) 2014](#).

Adult education programs nationwide use NRS levels to provide information to the federal government about student progress. ACCS/AE collects student assessment, demographic and participation data on AAESAP to report to the NRS and partners.

Administration of Assessment Instrument

All adult education test administrators for ACCS/AE sub-recipients must be trained in proper use and procedures in the administration of the assessment instrument. A refresher course on administering assessment tests must be completed every two years. Guidelines appearing in the publisher's test administration manual must be followed, particularly those related to hours of instruction that should occur prior to post-testing. Test must be accurately timed during administration and results must be properly graded and recorded. The learner will be re-assessed using an alternate and equivalent version of the state and NRS approved standardized assessment instrument, and in accordance with the publisher's recommended timeframe.

Remote Proctoring of Assessments

Procedures for Administering **TABE® Assessments Test during COVID-19 Conditions**

In order to maintain test-security and accountability during COVID-19 conditions, the following will apply for TABE ® testing:

- ACCS Adult Education programs will follow the guidelines established by the test publisher, DRC. This information can be found at:
http://tabetest.com/PDFs/TABE_Remote_Proctoring_Guidance.pdf.
- A local program designee(s) may use Zoom®, Google Teams®, or any other appropriate web-conferencing platform to monitor the testing sessions. For more information regarding establishing the testing sessions, please see the Remote Proctoring tab in AAESAP at:
<https://aed.cc.al.us/AAESAPWeb/Pages/Help/Resources.aspx?Nav=true>.
- Initially, limit the number to be proctored to one on one. As the testing number warrants and the security of the procedure is assured, this may be increased up to five (5) students to be proctored at one time.
- To ensure security, a password for the Zoom meeting, or any other platform, is required for the parties involved in the meeting in which the testing session is being conducted.
- A local record should be maintained to include the name of the student being administered the test, the TABE ® Test voucher ID number, the date of the test session, and the name of the person proctoring the test session.

Procedures for Administering the **GED Ready™ Test during COVID-19 Conditions**

In order to maintain test-security and accountability during COVID-19 conditions, the following will apply for GED Ready® testing:

- If an ACCS Adult Education funded program/agency issues GED Ready® test vouchers, the test must be virtually proctored by the issuing program/agency
- A local program designee(s) may use Zoom®, Google Teams®, or any other appropriate web-conferencing platform to monitor the testing sessions
- Initially, limit the number to be proctored to one on one. As the testing number warrants and the security of the procedure is assured, this may be increased up to five (5) students to be proctored at one time.
- To ensure security, a password for the Zoom meeting, or any other platform, is required for the parties involved in the meeting in which the testing session is being conducted.
- A local record should be maintained to include the name of the student being administered the test, the GED Ready® Test voucher ID number, the date of the test session, and the name of the person proctoring the test session.

Approved Assessments

The Alabama Community College System, Adult Education program prescribes that adult education agencies use CASAS, TABE, TABE CLAS-E, Best Literacy or BEST Plus - assessments with proven validity and reliability that correlate to the NRS.

BEST Literacy and BEST Plus Assessment Training

The state provides opportunities throughout the year for instructors to become certified in the administration of the BEST Plus assessment. A state BEST Plus trainer, certified by the Center for Applied Linguistics, will conduct the training for the test administration and the refresher course. The training sessions are scheduled annually, and on an as needed basis for new personnel. Records of trained personnel are maintained by the state trainer and by the Center for Applied Linguistics.

TABE Locator

If TABE is the appropriate assessment, the Locator should be used, along with other information, to determine the appropriate level of the TABE test to administer. While the Locator is an important tool, information from a Locator should be viewed as only a rough estimate of the student's functional level, not as an absolute prediction. Students should participate in an intake/orientation process to discuss academic and career goals and job experience. Information from orientation and Locator results should be used with professional judgment to determine the appropriate TABE level. The Locator is used as follows.

For TABE 11 and 12

Locator Test Cut Scores Evaluation Chart

Number Correct	Reading	Math (total of the two math tests)	Language	TABE Complete Battery Level to administer
	0-5	0-5	0-5	E
	6-11	6-9	6-10	M
	12-15	10-12	11-13	D
	16-19	13-16	14-16	A

Post-Assessments

Random and frequent testing will not present valid gain scores and could create a practice effect. Instruction intervention between testing periods is necessary in order to maximize academic gain.

TABE Post-Assessment Timeframes

- **For students in NRS Levels 1- 4:** After 50-60 hours of instruction, **with a minimum of 40 hours**, test with an alternate form (for example, TABE 9 Level M to TABE 10 Level M).
- **For students in NRS Levels 5 -6:** 30-59 hours of instruction is recommended when testing with an alternate form (for example, TABE 11 Level D to TABE 12 Level D).
- A higher-level form (for example, TABE 11 Level D to TABE 12 Level A) can be used on the progress assessment if the instructor determines that the student has mastered the information assessed on the enrollment assessment level.

Other Post-Assessments Timeframes

All other ACCS/AE-approved assessments shall be administered according to the test publishers' recommended timeframes for post-testing.

General Post-Assessment Requirements

- Providers shall use an alternate form of the same test for the post-test assessment.
- All post-test results must be entered into the Alabama Adult Education System Accountability Program (AAESAP). If more than one assessment is given, the progress assessment determines educational functioning level completion or advancement.
- If no follow-up assessment of the student is made during the program year, the student must be counted as remaining in the same educational level as upon entry and cannot be reported as advancing to a higher functioning level.
- An “advancement” or “completion” is recorded if a subsequent assessment score is higher level than the level initially used for placement.
- When post-test scores are entered, AAESAP is programmed to determine academic gain.

NRS Levels

To comply with NRS, providers must use the following entry and progression levels (also known as Educational Functioning Levels or EFLs):

Educational Functioning Levels

ABE/ASE

TABE Scale Scores Version 11 & 12		Initial EFL (NRS Educational Functioning Level)

NOTE: BEST Literacy should not be used for enrollment in ESL High Intermediate or ESL Low Advanced due to the lack of exit criteria.

*** Refer to the TABE CLAS-E Technical Manual for score ranges for individual reading, writing, listening and speaking tests. Only total scores are shown above.**

WorkKeys and other Informal Assessment Instruments

Providers may offer the WorkKeys assessment when an individual's adult education eligibility has been established in accordance with assessment and enrollment policy. WorkKeys may be used when the student's goals are to get a job, a better job or improve workforce skills, and earn a [National Career Readiness Certificate](#) (NCRC).

In addition to the required standardized pre- and post-assessment instruments, programs should continue to use a variety of informal instruments and procedures to collect valid on-going information regarding student instructional needs and progress. Some examples include:

- Computerized assessments.
- End of unit tests from textbooks.
- Checklists.
- Individual projects or products.
- Small group projects.
- Educator-made assessments.
- Project/products with clearly defined criteria or performance standards.
- Dated anecdotal records of teaching observations.
- Performance samples, including writing samples, journals, audiotapes of student readings or interviews, worksheets.
- Role playing.
- Student interviews and self-evaluations.

Professional Development for Assessment

ACCS/AE provides professional development to all staff who either administer or score each of the ACCS/AE-approved assessments. Within 14 days of hire date, new ACCS/AE-funded staff must complete the following courses:

- Orientation to Adult Education, which includes information on NRS, accountability policies, data collection process, definition of performance measures and administering assessments.
- Introduction to the Online Tests of Adult Basic Education (TABE) Administration.
- For ESL instructors: TABE Class E, BEST Plus, or CASAS Implementation Training.

Previously trained staff must attend prescribed refresher courses on the Assessment Policy every year.

CONTACT AND ATTENDANCE HOURS

[NRS](#) defines contact and attendance hours as “hours of instruction or instructional activity the learner receives from the program. Instructional activity includes any program-sponsored activity designed to promote student learning in the program curriculum, such as classroom instruction, assessment, tutoring or participation in a learning lab. (Note: Time spent on assessment can be counted only if the assessment is designed to inform placement decisions, assess progress or inform instruction. Time used to take the GED® test, for example, **cannot be counted** as instructional activity.)” The hours spent in orientation, classroom, distance learning, and assessment shall count toward the student's total attendance hours.

See also [NRS Distance Education Contact Hours guidelines](#).

DATA COLLECTION AND REPORTING

Providers are required to submit data electronically using AAESAP. All data must be entered by the 15th of the month following the month reported. Final program year data shall be entered into AAESAP by July 31st.

ACCS/AE regularly updates the AAESAP Users' Manual and the ACCS/AE Policy and Procedure Manual to incorporate NRS changes. Updates on system changes and

revisions to the Users' Manual are announced and posted on [AAESAP Login Page](#) under "Release Notes" and through e-mail.

Log-in for AAESAP requires the full email address for the Username, plus a password that is initially sent to the user via their email account.

RECORDS RETENTION

The federal retention period is five years for all financial and programmatic records. The starting date of retention begins on the first day of the next fiscal year. The retention period for equipment records starts on the date of disposition or replacement or transfer. To help clarify which programmatic information must be retained, the following guideline is provided:

- Programs **must** retain documents such as, but not limited to:
 - AL Enrollment Form
 - Signed non-disclosure statement
 - Plan of Instruction (POI)
 - Diagnostic results, i.e. (TABE, Best Literacy, Best Plus...etc.)
 - Attendance records
 - Non-Traditional High School Diploma Option Student Records
 - Verification of DHR student eligibility (EPS and SNAP)
 - All documentation for 16 and 17-year-old eligible students
 - Sign-in sheets

DISTANCE EDUCATION

Distance Education-Specific Assessment Policy

Alabama Community College System is authorized to provide distance education as a formal option for delivering adult basic and literacy education services. By incorporating technology, students who were not able to attend traditional adult education classes now have another avenue to improve their skill levels. Students enrolled in distance education have the same opportunity as traditional students to receive quality instruction taught in the classroom.

Distant Learners in Alabama Adult Education Programs are students who are separated from the instructor by *geography, time, or both* for the majority of the instructional period. Distance learning materials are delivered through a variety of media including,

but not limited to, print, audio/video recording, broadcasts, computer software, web-based programs, and other online technology. Teachers support distance learners through communication via mail, telephone, email, or online technologies and software.

Adult education programs are required to enter all student attendance hours. In AAESAP, distance learning/proxy hours and classroom center attendance hours are recorded separately. Attendance hours for students using approved online curricula in the classroom will be reported as classroom hours. All student work completed outside of the adult education classroom will be counted as distance learning/proxy hours and must follow the distance learning policy for determining contact and proxy hours. (See below for more information on proxy hours.)

During a program year, if a student is enrolled both in a traditional classroom and in distance education at the same time, the student will be counted only once for program reporting for NRS. A person that is assigned to a traditional class in addition to distance learning is counted as a traditional student. Online education serves as supplemental learning. Distance learners are defined as students receiving more of their instruction from a distance and not in the local adult education center. Local center hours and distance learning hours will be recorded in AAESAP separately. At separation or the end of the fiscal year, the student's status as an adult education center student or distance learner will be determined. Student hours from both online instruction and in the adult education center will be reported according to the NRS Guidelines for Distance Education Learners.

Distance Learning Curricula

ACCS/AE local programs use a variety of distance learning curricula, such as Keytrain, Contemporary's Instruction Targeted for TABE Success (ITTTS), KET's Fast Forward, Edmentum, Oddyseyware, Aztec, PLATO, Rosetta Stone, KUDER, and Essential Education's GED Academy. Additional adult education curricula that have a mechanism for tracking student engagement time may be used.

Identifying and Reporting Contact Hours

Distance education instructors will follow the guidelines stated in this document when determining instructional time mandated prior to administering a post-test. A Clock Time Model is used for determining instructional contact hours.

According [to NRS](#), "students in distance education must have at least 12 hours of contact with the program before they can be counted for federal reporting purposes. Direct **contact hours** for distance learners can be a combination of actual contact and contact through telephone, video, teleconference or online communication, where student and program staff can interact and through which learner identity is verifiable."

In addition to direct contact hours, proxy contact hours for distance learners will also be collected. **Proxy Contact Hours** may be counted using the **Clock Time Model**. The **Clock Time Model** assigns contact hours based on the elapsed time that a learner is connected to or engaged in an online or standalone software program that tracks time-on-task.

Assessing Distance Learners

Distance learners must be assessed under the same guidelines as all adult students in Alabama using approved standardized assessment tools. All standardized assessment must occur in a proctored adult education class site (see below for remote proctoring during COVID-19 conditions), where the student's identity is verifiable. Alabama uses only [NRS approved assessment instruments](#). Tests must be accurately timed during administration and results must be properly graded and recorded. Appropriate records documenting assessment results, assignments, and progress shall be maintained for each learner.

Remote Proctoring of Assessments

Procedures for Administering **TABE® Assessments** Test during COVID-19 Conditions

In order to maintain test-security and accountability during COVID-19 conditions, the following will apply for TABE ® testing:

- ACCS Adult Education programs will follow the guidelines established by the test publisher, DRC. This information can be found at:
http://tabetest.com/PDFs/TABE_Remote_Proctoring_Guidance.pdf.
- A local program designee(s) may use Zoom®, Google Teams®, or any other appropriate web-conferencing platform to monitor the testing sessions. For more information regarding establishing the testing sessions, please see the Remote Proctoring tab in AAESAP at:
<https://aed.cc.al.us/AAESAPWeb/Pages/Help/Resources.aspx?Nav=true>.
- Initially, limit the number to be proctored to one on one. As the testing number warrants and the security of the procedure is assured, this may be increased up to five (5) students to be proctored at one time.
- To ensure security, a password for the Zoom meeting, or any other platform, is required for the parties involved in the meeting in which the testing session is being conducted.
- A local record should be maintained to include the name of the student being administered the test, the TABE ® Test voucher ID number, the date of the test session, and the name of the person proctoring the test session.

Procedures for Administering the **GED Ready™ Test** during COVID-19 Conditions

In order to maintain test-security and accountability during COVID-19 conditions, the following will apply for GED Ready ® testing:

- If an ACCS Adult Education funded program/agency issues GED Ready® test vouchers, the test must be virtually proctored by the issuing program/agency
- A local program designee(s) may use Zoom®, Google Teams®, or any other appropriate web-conferencing platform to monitor the testing sessions
- Initially, limit the number to be proctored to one on one. As the testing number warrants and the security of the procedure is assured, this may be increased up to five (5) students to be proctored at one time.
- To ensure security, a password for the Zoom meeting, or any other platform, is required for the parties involved in the meeting in which the testing session is being conducted.
- A local record should be maintained to include the name of the student being administered the test, the GED Ready ® Test voucher ID number, the date of the test session, and the name of the person proctoring the test session.

Training Requirements

All adult educators offering distance education must adhere to vendor guidelines and instructions. Distance educators are encouraged to enhance their knowledge through ongoing communication, workshops and/or webinars.

GED® SERVICES

The Alabama State GED Testing Program of the Alabama Community College System coordinates the administration of the GED® test at the Official GED Test Centers throughout the state. The GED® test is delivered on computer (not online) and is administered only at official GED Test Centers.

Requesting an Official Transcript, Diploma, or Verification

Effective March 1, 2016, Alabama transitioned its GED® credentialing process from the issuance of paper transcripts and GED® diplomas to a paperless, electronic transcript system through GED Credentialing™. **GED Credentialing™** is a full-service program which Alabama now uses to outsource all fulfillment requests for transcripts and diplomas. The service includes fulfillment for new graduates and historical requests dating back to 1947. Students request transcripts at www.gedtestingservice.com.

What does GED Credentialing™ mean for my program?

GED Credentialing™ is an end-to-end service for Alabama's GED® programs that eliminates the administrative burden of fulfilling requests for secure duplicate transcripts and diplomas. GED Credentialing™ is provided at no additional cost. Alabama's

contract with GED Credentialing™ will provide service for both first-time and historical transcript requests. GED Credentialing™ uses the services of Parchment, a secure, electronic transcript fulfillment for high schools nationwide.

What does GED Credentialing™ cost students?

Students receive their initial transcript and diploma for free after completing the 2014 GED® test. For each repeat or historical request, the individual or organization that makes the request (e.g. past student, employer, school, employment verification firm) pays a \$15 fee.

Can a GED® program use GED Credentialing™ for new transcripts and diplomas only and continue to fulfill historical requests themselves?

No. GED Credentialing™ is an all-inclusive service. The State of Alabama will use GED Credentialing™ for both new and historical transcripts and diplomas.

Is my program required to use the service?

Yes. Alabama has contracted with GED Testing Service to provide Alabama test-taker requests for the Alabama GED® diploma and the Smart Transcript from GED Testing Service.

Does GED Credentialing™ fulfill a national credential?

No. GED Credentialing™ fulfills requests for Alabama's GED® diplomas and the Smart Transcript from GED Testing Service. The State of Alabama remains the issuing agency, and the diplomas feature Alabama's official signatures and design.

Is GED Testing Service fulfilling the transcript and diploma requests in-house?

No. GED Testing Service is partnering with Parchment, a secure, electronic transcript (eTranscript) exchange. For more information, visit <http://www.parchment.com/>.

What do test takers receive from GED Credentialing™ after they pass the 2014 GED® test?

As soon as test-takers pass the GED® test, they receive a secure, electronic PDF document delivered to their email address. The document will include their Smart

Transcript and an electronic copy of their Alabama GED® diploma. A 2014 tester has an option of ordering a professionally printed GED® diploma free of charge.

What is a Smart Transcript?

The Smart Transcript is an electronic transcript that not only provides an Alabama test-taker's scores, but also includes links to the GED Testing Service Website with additional information regarding what the GED® test measures, what the scores mean, and what skills the test-taker demonstrated on the test. This includes information about earning a GED® Passing Score and the GED® Passing Score with

Can students send their transcript and diploma to colleges and employers?

Yes. Students can forward the free electronic transcript they received in their email inbox directly to potential colleges and employers.

Accommodations for the GED® Test:

The purpose of accommodations is to provide candidates with full access to the GED® test. However, accommodations are not a guarantee of improved performance or test completion. GED® Testing Service provides reasonable and appropriate accommodations to individuals with documented disabilities who demonstrate a need for accommodations. GED® test accommodations may include things such as:

- A separate testing room
- Extra testing time
- Extra breaks

Test accommodations are individualized and considered on a case-by-case basis. Consequently, no single type of accommodation (e.g. extra time) would necessarily be appropriate for all individuals with disabilities. Simply demonstrating that an individual meets diagnostic criteria for a particular disorder does not mean that the person is automatically entitled to accommodations.

GED Testing Service™ has enhanced the process for students and their advocates to request accommodations by creating access to the process via a secure online environment. Instructions regarding the application process may be viewed at

[Request Accommodations for GED Test](#) .

It can take up to 30 days for your request to be reviewed, but you can check on the status of your request by clicking on the link provided in the emails you receive from the

Accommodations team. You can also check the status of your request by signing into your GED® account and clicking on the "My Accommodations" link.

If you have questions about the new system please send an email to accommodations@gedtestingservice.com

Free College Class for GED and Ready-to-Work Completers

Individuals who passed the GED® examination and obtained the certificate on or after July 1, 2002; and individuals who completed Ready-to-Work and obtained a high school diploma or equivalency on or after July 1, 2002, are eligible for a free college class (up to 4 credit hours) with any college in the Alabama Community College System. Individuals must meet all Admission requirements as defined in ACCS Policy 801.01.

Age Alert

GED Testing Eligibility Guidelines for Students 16 and 17 Years of Age

Alabama Act 2009-564 stipulates that students between the ages of 7 and 17 are required to attend public school, private school, church school, or be taught at home by a private tutor.

Based on this law, there are specific requirements (see also the [GED® Test Application for Students 16 and 17 Year- Old](#)) for students, 16 and 17 years of age, who wish to take the GED® Test.

I. For a Student 16 Years of Age to Take the GED® Test:

State approval must be granted based on the following:

Individuals Who Dropped Out of Public School

1. Student must present a notarized [Certificate of Exemption](#) from the student's last school system attended **and** a notarized and signed [Parental Permission Form](#)
2. Student must have TABE test scores (in all three sub-skill tests) at a minimum of ASE Low, with a grade equivalent of 9.0 or higher
OR
Student must have official GED® Ready test scores in Math and RLA of "Likely to Pass"
3. Student must provide proof of Alabama residency

Individuals Who Dropped Out of a Private School, Church School, or Private Tutoring or Home-School Program

1. Student must present a notarized and signed letter (parent permission form) from his/her parent or legal guardian naming the school, providing the drop-out date, and stating the student has dropped out of school, and has permission to be administered the GED® Test
2. Student must have TABE test scores (in all three sub-skill tests) at a minimum of ASE Low, with a grade equivalent of 9.0 or higher
OR
Student must have official GED® Ready test scores in Math and RLA of "Likely to Pass"
3. Student must provide proof of Alabama residency

II. For a Student 17 Years of Age to Take the GED® Test:

For a seventeen-year-old student to take the GED® Test, state approval must be granted based on the following:

Individuals attending Public School

1. Student must have participated in an exit interview with their high school administration and provide a signed [Exit Interview Form](#)
OR
Student must provide a notarized and signed letter from his/her parent or legal guardian stating the student has refused to attend the Exit Interview, naming the school,

providing the student's drop-out date, and giving parental permission for the student to be administered the GED® Test. ([Parental Permission Form](#))

2. Student must provide proof of Alabama residency

Individuals attending Private School, Church School, or Private Tutoring Program

1. Student must present a notarized letter from his/her parent or legal guardian naming the school, providing the drop-out date, and stating the student has dropped out of school, and has permission to be administered the GED® Test. ([Parental Permission Form](#))

2. Student must provide proof of Alabama residency

* Court mandated individuals, ages 16 or 17, must provide official court documentation to enroll in Adult Education and to be administered the GED® Test. A signed court order does **not** require the student to present a Certificate of Exemption, Exit Interview Form, Parental Permission Form, or evidence of school withdrawal to be enrolled in an Adult Education program or to be administered the GED® Test, **but the student would have to submit the Application to Test and the Court Order.**

PERSONNEL

PERSONNEL CHANGES

Personnel changes must be reported to ACCS/AE within 10 days of changes. To report changes:

Please notify the ACCS Adult Education Accountant assigned to your program immediately after an employee begins or leaves employment.

If filling a position for Future Employee changes the bottom line of the approved budget for salaries and benefits, a budget amendment must be submitted and approved by regular routing of signatures.

If the Future Employee information does not change the bottom line, then your accountant can approve the amendment immediately.

Hiring and Recruiting Guidelines

The following guidelines should be used to recruit and hire personnel and develop job descriptions. The **minimum requirements for each title are mandatory.** Local

program fiscal agents must ensure that all employees meet the minimum requirements for each title.

When a local program fiscal agent is in the process of hiring a program director, an ACCS/AE staff person may be a member of the hiring/interview committee.

ACCS Adult Education (ACCS AE) Allowable Administrative Models for Local Adult Education (AE) Program Providers:

Every local Adult Education (AE) provider must have an individual who is responsible for the overall operations of the AE program.

ACCS AE allows the following administrative models:

1. **The Traditional Model** – this model includes a local program **Director** who works 100% of his/her time in the AE program. The Director must have daily engagement with the AE staff and the program and maintain an office in the same physical location as the main AE instructional center. The Director should be placed on the C-3 salary schedule, and the salary may be paid 100% from AE funds up to the ACCS AE approved salary cap (as published by ACCS AE Fiscal Division in the annual budget instructions), with any amount above the capped limit coming from other funding sources outside of AE funding. (Some local agencies may also pay the Director's salary from local agency funds and a percentage of AE funds.)
2. **The Hybrid Model** – this model includes a local program **Director** who works 100% of their time in AE, but his/her responsibilities are split between **administrative and instructional duties**. The Director must have daily engagement with the AE staff and the program and maintain an office in the same physical location as the main AE instructional center. The Director should be placed on the C-3 salary schedule, and the salary may be 100% from AE funds up to the ACCS AE approved salary cap (as published by ACCS AE Fiscal Division in the annual budget instructions), with any additional amount above the capped limit coming from other funding sources outside of AE funding. (Some local agencies may also pay the Director's salary from local agency funds and a percentage of AE funds.)
3. **The Facilitator Model** – this model includes a **Facilitator** who has general oversight of all AE program functions but may not spend 100% of his/her time in AE. The Facilitator is solely responsible for administering the Adult Education budget, recruitment and hiring of AE personnel (in alignment and coordination with the local program's HR Department), evaluation of AE personnel, and ensuring that the Adult Education program operates in compliance with ACCS AE policies and procedures and State and Federal guidelines. **The Facilitator's salary will not be paid 100% from AE funding, but a percentage of the salary may be paid from AE funds, using the C-3 salary schedule, based on the percentage of time the Facilitator works with the AE program. A portion of the Facilitator's salary (paid from AE funds) will be deemed as administrative costs in the program's budget.** This model may also include a **Coordinator** who has both instructional and **limited** administrative duties, **with the administrative duties not to**

exceed 50% of the Coordinator's time. The limited administrative duties could include classroom observations, coaching of AE instructional staff, professional development programming, and development of class schedules, but with the Facilitator maintaining the overall responsibility of the program and program performance. The **Coordinator** should be placed on the D-3 salary schedule, according to years of experience.

With the application of a new RFP, the local fiscal agent will be required to state which of the above models will be utilized for the agency's AE program, if funded. Any exception to these models shall be submitted in writing to the State Director of Adult Education and must have ACCS AE approval before being implemented.

- Assists in proctoring and scoring diagnostic tests.
- Enters data, understands and uses the AAESAP data system.

MINIMUM REQUIREMENTS

- All administrative assistants must have a high school diploma or GED® credential.

Other Positions

For all other positions not listed above, local programs must have prior approval from ACCS/AE before hiring.

All positions, other than non-instructional staff positions, must have job duties and responsibilities that are instructional and student-centered. If not, the position will be deemed 100% administrative and will be included in the program's allowable 5% administrative cost allowance.

Planning Time

Planning time is defined as time in the workplace preparing for instruction and/or record keeping supporting the mandatory management information system (AAESAP). Planning time may be allowed on a weekly basis and **cannot be carried over to subsequent weeks or accumulated in any manner.**

At the local fiscal agent's discretion, and according to local policy and budgetary feasibility, part-time adult education instructors may be eligible for reimbursement of planning (non-instructional) time. The reimbursement would be based on the instructor's current rate of pay per hour, and it is the responsibility of the local fiscal agent to budget for the planning time of all eligible instructors. The reimbursement should be paid from the same budget as the instructor's salary. Local policy for planning time must be applied **consistently** to all eligible instructors. **ACCS AE recommends the following, but local program administration may choose to modify the recommendations in alignment with local needs.** (Local programs must adhere to grant guidance regarding the reimbursement being reasonable, allocable, and necessary.)

- Instructors who perform instructional duties at least six (6) hours per week, but less than twelve (12) hours per week, may be reimbursed not more than .5 hour per week of planning time.
- Instructors who perform instructional duties at least twelve (12) hours per week, and not to exceed 18 hours per week, may be reimbursed 1 hour per week of planning time.
- FT instructors working 35 or more hours per week are **not** allowed to receive reimbursement for the 2 hours of planning time but may be granted up to 2 hours of planning time per week for non-instructional duties.

Professional Development

The purpose of Alabama's professional development (PD) is to raise the level of expertise of Alabama's adult educators through lifelong learning opportunities to equip adult students for success. Professional development initiative builds a systemic

approach incorporating all aspects of adult education. Professional development will focus on the following:

- **Instructor, program director, staff standards** – define what teachers, directors, and support staff need to know and be able to do in order to provide quality programs.
- **Content standards** – define the skills and knowledge that adult learners need to know and be able to do in their roles as workers, parents, and citizens.
- **Program standards** – define the characteristics that exemplary local programs should demonstrate (Indicators of Quality Programs)
- **Professional development standards** – define the essential elements of meaningful professional growth activities.
- **Performance standards** – expectations for program outcomes (Core Indicators of Performance).
- **Data quality standards** – ensure that reliable and valid data are available to make informed decisions and guide program management (AAESAP).

Alabama's Adult Education Program has adopted ***OCTAE's College and Career Readiness Standards*** with the purpose of raising the level of expertise of Alabama's adult educators in order to better prepare learners for the 2014 GED® Test, postsecondary education and training programs and the workforce.

<https://lincs.ed.gov/publications/pdf/CCRStandardsAdultEd.pdf>

Program directors are expected to:

- Ensure all instructors have an active status in AAESAP
- Explain to instructors their PD requirements
- Keep accurate records of all PD training – local, state and national clock hours of training
- Assist all new instructors with PD training, including pre-service
- Ensure that all instructors complete annual training on the Assessment Policy and any applicable test certification or re-certification
- Lead their instructors in completing any PD opportunities, and providing at least 2 local in-service meetings per year
- Ensure that student satisfaction surveys are completed twice per year, so PD can also be developed around student stated needs

In partnership with Alabama Association for Public and Continuing Adult Education (ALAPCAE) and Alabama Directors Association, the ACCS/AE co-sponsors an annual summer conference. This conference provides 16 clock hours of PD on a variety of relevant topics for instructional and continual program improvement. The goal of all PD is to increase the knowledge base and instructional practices of all adult education instructors with the goal of providing quality instruction for all learners.

Regional training provides additional opportunities to acquire specific content knowledge, teaching and learning strategies, and current trends in the field of adult education.

ALL adult educators are required to accrue 10 clock hours of PD each year for continued employment.

*While ACCS-AED recognizes the importance of professional development at the local, state, and national level, ACCS-AED also realizes that some professional development activities are pertinent for specific individuals based on job responsibilities. In addition, some professional development activities only require a limited number of attendees or representatives from the state and local programs in order for the state and local programs to benefit from the information/training. **Beginning October 1, 2018, all travel and attendance at professional development events NOT sponsored by ACCS-AED will require a two-week prior approval by the program's Regional Adult Education Director. The [Adult Education Professional Development Travel Request](#) form is located in the "Help/Resources" section of AAESAP. If the Regional Director approves the PD Travel Request, the form should be forwarded to Wendy Roberts at ACCS (wendy.roberts@accs.edu).**

ACCS/AE's Expectations of Program Director

Program directors are expected to:

- Ensure all program staff meet annual PD requirements.
- Ensure all instructors have an "active" status in AAESAP.
- Explain to instructors their PD requirements
- Ensure that every two years, all instructors complete the TABE assessment refresher course – TABE Online Refresher Course.

Program directors are expected to be instructional leaders by leading and supporting in:

- Ensuring the highest quality instruction.
- Realizing full implementation of standards-based instruction.
- Integrating instructional technology to assist in digital literacy knowledge.
- Fostering instructor effectiveness through building knowledge-base and professionalism.
- Nurturing an environment of professional growth, collaborative learning and participative decision making.
- Engaging students through instruction relevant to their life experiences and real-life application.
- Empowering students to achieve next steps.
- Analyzing data and using it to guide instructional practice.
- Providing constructive feedback and reinforcement to advance continuous improvement.

New Program Director PD Requirements

New Program Directors will complete a required, online New Director Orientation and Training Program managed by ACCS AE Division.

New Instructor PD Requirements

New instructors will need to complete an orientation to AE under the direction of the program director, and will need to also complete the [NRS self-paced, online courses](#).

New ESL Instructor PD Requirements

Recommendation: For new instructors who are teaching ESL, yet have no teaching background, ACCS/AE recommends they complete the following online professional growth electives in the order shown. The recommended coursework will take more than one program year.

- Beyond the [CASAS Implementation Training](#)
- [TABE Class-E](#)
- [LINCS: English Language Learner University](#)

Note: BEST Plus online trainings are not available. The Best Literacy assessment does not require training. The assessment's protocols are covered in the assessment guide. Contact the Center for Applied Linguistics (www.CAL.org) for information about these assessments.

FINANCIAL MANAGEMENT / ACCOUNTING SYSTEM

Financial Management Standards

Each sub-recipient must establish and maintain a financial management system in accordance with generally accepted accounting principles (GAAP) requirements, which will provide for adequate control of funds and other assets, ensure the accuracy of the financial data, provide for operational efficiency and for internal controls to avoid conflict of interest situations (and avoid the appearance of apparent conflicts of interest) and to prevent irregular transactions or activities. The required records and reports shall be uniform in definition, accessible to authorized Federal and State staff, and verifiable for monitoring, reporting, audit, program management, and evaluation purposes. The sub-recipient's financial management systems must also meet the standards to follow.

Records

The sub-recipient must maintain records which identify adequately the source and application of grant funds.

Control of Assets

The sub-recipient must maintain effective control over and account for project funds, property, and other assets. Included in the “other assets” are inventories of consumable materials and supplies. The sub-recipient must safeguard these assets and ensure that they are used solely for authorized purposes.

Allowable Costs

To be allowable, the cost must be **necessary** and **reasonable** for proper and efficient administration of the grant program. The cost must not be a general expense to carry out the overall responsibilities of the sub-recipient. Only those items of expenditures or cost categories as denoted on or within the signed grant agreement or contract are allowable. Where cost allocations are necessary, such allocations should be made in accordance with the terms of the grant agreement. A sub-recipient's costs are not to be allocated based on availability of funds in the budget, but instead, must be allocated based on benefits received or effort given to the program.

Source Documentation

The sub-recipient must support accounting records with source documentation such as canceled checks, itemized invoices, paid bills, cost allocation plans, lease agreements or subcontracts. When costs are to be allocated, a worksheet must be maintained to document the proration of costs to various cost centers in accordance with the cost allocation plan and kept on file for audit purposes. Accounting records for matching funds or stand-in costs must be supported in the same manner as stated above.

Travel Regulations

All ACCS/AE reimbursements for travel will be made with the travel regulations of the State. Travel reimbursement amounts allowed by the ACCS/AE may be less than those provided by these guidelines if the sub-recipient's current established policy so states, but in no instance may they exceed the State limitations. The current State travel regulations are provided as a courtesy, but updates to the State's *Fiscal Policy and Procedures Manual* will supersede the information provided below.

In-State Travel

- For travel involving less than 6 hours, no meal allowance or per diem is allowed.
- For travel of 6 hours to 12 hours, there is an allowance of \$12.75 for one meal.
- For travel requiring more than 12 hours a \$34.00 allowance is allowed when the trip does not involve an overnight stay.
- Overnight per diem is set at the following rate: \$85.00 per day.

If the normal rate of the sub-recipient is less than the above-stated per day rates and the grant agreement states a lesser rate, the lesser rate approved shall be used.

The term overnight, as used in Code of Alabama 1975, §36-7-20, as amended, means exactly what the word implies. The common law meaning of night usually means the period between sunset and sunrise. Another rule often applied is that night is defined as beginning thirty minutes after sunset and ending thirty minutes before sunrise. Individuals whose work hours are during the night period are in work status and are not entitled to overnight per diem. Employees within reasonable travel distance from their base are expected to return to base. Individual circumstance will determine what is reasonable but, generally, a trip of 100 miles or less one-way does not require an overnight stay. Exceptions to the policy may be approved by the department director.

- The per diem is \$56.25 for each day after a person in travel status has been stationed at the same place for two consecutive months.
- The mileage rate is the most current rate established by the Internal Revenue Code for income tax deductions. If the normal rate of a contractor is less than the allowable rate and the contract states a lesser rate, the lesser approved rate shall be used.
- Claims for travel expense must be documented by reports containing the destination, date and time of departure and return, and a computation of the amount of reimbursement. The reports must be signed and dated by both the traveler and the person authorizing the travel. Copies of the travel reports must accompany the invoices under which the travel expense is claimed.

Out-of-State Travel

Out-of-state travel expense for room and meals shall be reimbursed at actual costs, when such costs reflect reasonable rates. Room accommodations should be in the employee's own name and any charges for missed reservations shall be considered a personal expense. Air travel is booked for tourist class. If first class is booked, proof of non-availability of tourist class must be provided.

Receipts are required to be submitted with travel reimbursement claims to be maintained as support documentation for the Sub-recipient's Invoice Report for all transportation, meal, and hotel/motel lodging charges. These receipts must be from the establishment/transportation company. Copies of credit charges cannot be accepted as support documentation. The amounts paid as tips for food service, the transfer of

baggage, and similar personal services shall be included as items of expense by the traveler, when the amounts of such expenditures do not exceed the customary charges for these services. The cost of tips paid for meals shall be included in the price of meals. The cost of tips paid for the transfer of baggage must be itemized as to amounts and dates paid. Receipts are required in substantiation of parking costs. For mileage, the same procedure established for in-state travel applies. It should be emphasized that no entertainment costs will be allowed in connection with out-of-state travel.

Reasonable meal costs for each day of out-of-state travel will be based on the amount of time the traveler is away from his base on each day of travel. The reasonable cost of three meals will be allowed for each day the traveler is away from the base more than eighteen hours, two meals for each day the traveler is away from their base more than twelve hours and one meal for each day the traveler is away from their base more than six hours. Please refer to the following link for the most current allowable meal rates: <http://comptroller.alabama.gov/pages/MIE.aspx>

Combined In-State and Out-of-State Travel

At times a traveler may go out of the state and then return and continue his trip within the state. Actual expenses are paid until return to the state when the per diem basis takes over.

Agreement Modifications

All sub-recipients will follow the process as outlined below for requesting agreement modifications:

- a. The sub-recipient will submit a written request for modification prior to changing any budget line item or participant service level contained in the agreement. The written request and associated reason for the modification should accompany the modification.
- b. All modifications initiated by the sub-recipient will be mutually agreed upon by the parties to the agreement.
- c. The Grantor may make a unilateral modification to the agreement at any time due to changes in the law, regulations, or policy.

Reporting

Each sub-recipient receiving funds is required to report monthly, on forms provided by the Grantor, the costs incurred, or expenditures made in performance of the agreement. All reports will be prepared from the official accounting records of the reporting organization. The reporting period on the first Sub-recipient's Invoice should reflect the beginning date of the agreement through the end of the particular period covered.

Monthly Sub-recipient's Invoices will be submitted no later than the 15th day of the month following the month of the reporting period.

The sub-recipient must report expenditures on an accrual basis. If the sub-recipient's records are not maintained on an accrual basis, documentation for audit purposes must be maintained to demonstrate the link between accrual reports and non-accrual accounts. This requirement does not apply to sub-recipients on the reimbursement basis. Conversion from the cash basis of accounting to an accrued expenditures basis for a reporting period may be accomplished by adding:

- Estimated salaries and related benefits from the end of the last pay period to the end of the reporting period.
- Unpaid invoices on hand for goods and services received.
- Value of goods and services received but not yet invoiced.

Administrative Costs

Section 233 of the Adult Education and Family Literacy Act mandates that not more than 5% shall be used for planning, administration, personnel development, and interagency coordination. ACCS/AE is permitted to negotiate an amount greater than 5% if the local provider submits adequate justification.

Administrative Costs – Non-instructional

- Positions that does not directly serve students (accountants, etc.)
- Travel, equipment, and supplies for administrators that is NOT related to instruction.
- Maintaining budgets/RFP/reimbursement reports, timesheets, etc.
- Maintaining records and reports that are not student related
- Developing local policies
- Participating in national/state adult education programs (in-service activities, PD)
- Professional development of instructional staff and administrators

Non-Administrative Costs – Instructional

- Travel, equipment and supplies for administrators that are related to instruction
- Analysis of accountability system and quarterly report data
- Maintaining records and reports that pertain to student placement and performance
- Annually assessing the literacy needs of adults
- Evaluating plant facilities regarding placement of classes
- Collecting/analyzing learner retention data on a quarterly basis
- Assessing/evaluating adult learner' satisfaction with the program
- Developing/executing an intake/orientation process

- Counseling adult students
- Fostering local community's support for the program
- Monitoring/evaluating classes
- Developing/implementing curriculum

Expenditure Documentation

In submitting the monthly Sub-recipient's Invoice, the sub-recipient is required to also submit physical documentation of expenditures in the form of copies of time and attendance reports, itemized vendor invoices, statements covering contractual services, lease agreements, sub-recipient's travel policy, records in support of travel expense claimed, logs or other certification of long distance telephone calls, and postage, etc. The failure to submit proper support documentation with the Sub-recipient's Invoice will result in the delay of reimbursement to the sub-recipient. Cost items common to all of the cost categories under the grant are salaries and fringe benefits. Following are procedures required to ensure that these costs are properly documented:

- **Time and Attendance Records.** These records must be maintained for each payroll period for each individual. These, or equivalent records, must support the total compensation paid, and in the event the individual contributes time to a project other than the grant program, accurate time distribution records must designate the actual time contributed to the grant program. For example, if such an individual performs forty hours of service within a week, of which thirty-one hours are not related to any program and the remaining nine hours apply to three different programs being administered by the contractor, including its grant project, it is required that proper time and attendance records be maintained in support of the total 40 hours, and that time distribution records clearly verify the number of hours contributed to the grant program. All time and attendance records must be certified by the signature of a person in a supervisory capacity after the employee has signed the form. Employee earning records must be maintained for each individual and contain cumulative amounts by a pay period for the gross salary, payroll deductions and net pay. Payroll tax reports must also support the amounts shown on the payroll records.
- **Fringe Benefits.** Allowable fringe benefit costs include, but are not limited to, the following: that portion of the individual's FICA taxes paid by the employer, medical insurance coverage, unemployment insurance and worker's compensation. Costs claimed for fringe benefits must be supported by such cost documentation as payroll records, payroll tax reports, insurance policies and payment schedules, vendor's invoices, etc.

Property Classifications

- It is non-expendable; that is, if damaged or some of its parts are lost or worn out,
- it is more feasible to repair the item than to replace it with an entirely new unit

Equipment/Furniture/Technology

Related items are defined as any instrument, machine, apparatus, or set of articles which:

- Retains its original shape and appearance with use, and;
- Under normal conditions is expected to serve its intended purpose for longer than one year, and;
- Is non-expendable; that is, if the item is damaged or some of its parts worn out, it is more feasible to repair the item than to replace it with a new unit.

Any item with a unit cost of \$4,999.99 or less is non-capitalized equipment or if it's a technology related cost regardless of the amount.

Any item with a unit cost of \$5,000 or more is capitalized equipment.

Non-capitalized items are desktop computers, laptops, notebooks, printers, fax, copiers, file cabinets, desks, chairs, digital camera, projectors, whiteboards, workstations, and any technology related items such as expandable drives, headsets, microphones and telephones.

Inventory

Federal grantees are to use their own procurement procedures which reflect applicable State and local laws and regulations provided that the procurements conform to applicable Federal law. All grantees must follow **current policies**. All capitalized and non-capitalized equipment purchased with ACCS/AE funds must be inventoried and visibly tagged before being placed into service. Property records must include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of federal participation in the cost of the property, the location, use and condition of the property and any ultimate disposition data including the date of disposal and sale price of the property.

A program that is no longer funded by the state agency or chooses not to continue as a provider for adult education services will return all the equipment, furniture, and non-consumable materials back to the state office. Disbursement will be made to another eligible provider already funded by the adult education state agency.

Lost, Damaged, or Stolen Items

Colleges must take reasonable precautions to ensure that items purchased with ACCS/AE funding is properly maintained, accounted for, and protected from damage, loss, unreasonable deterioration and theft. Colleges are advised to implement the following controls, and any additional controls felt to be necessary to safeguard the property:

- Maintain adequate and current property records that allow the items to be located and maintain records of the person or persons who have property in their possession or are responsible for their security during non-duty hours. Accountability and responsibility must be maintained at all times, whether the property is located on-site or off-site.
- Provide a secure building and coordinate between the security function and the Property Control Officer, especially regarding security violations or changes affecting official property; and
- Have a written policy and always follow it when checking out property that requires employees to sign for property in their possession.

When property acquired with adult education funds is lost, damaged or stolen the college must conduct and fully document an investigation. When appropriate, law enforcement authorities should be notified, a police report should be filed and maintained for records, and if the item meets the state's capitalization threshold, insurance provider should be notified.

Disposal Procedures

If the institution no longer needs or intends to use the equipment for the original purpose prior to the end of the life cycle, the institution must use the equipment to support other AEFLA eligible programs or other federally funded programs.

BUDGETS

Once an allocation has been awarded to the sub-recipient, the budget forms process must be completed through AAESAP, and signatures of the Chief Financial Officer, the Chief Executive Officer and the Adult Education Director of the local program must be secured.

Budgets have been set-up to coincide with the monthly expenditure reports. Sub-grantees will be awarded a Federal allocation amount and a State allocation amount. **Local providers are warned to pay close attention to the issue of supplanting.**

Budget Instructions

IMPORTANT NEW INFORMATION FOR FISCAL YEAR 2021

(See also "[AE Budgeting Refresher](#)" in "Help/Resources" of AAESAP)

- All "Future Employees" positions will need to be filled by **March 31, 2021**.

FORMS

The following forms must be completed for each funding source and submitted to the Alabama Community College System Adult Education Department for review and approval of each budget:

- Form 1 Version 2, page 1, Budget Signature page (**only 1 signed form required**)
- Form 1 Version 2B, page 1, Budget Line item page
- Form 1A – (if applicable), Salaries & Benefits
- Form 1A1 – (if applicable), Local Professional Development
- Form 1A2 – (if applicable), State/Regional Professional Development
- AE Professional Development Travel Request Form (if applicable)
- Form 1B – Capitalized/Non-Capitalized Equipment Budget
- Form 1B1 – Supplies-Computing Devices
- Form 1C - Non-Instructional Costs (Administrative)
- Form 2A – (if applicable), Subcontract Salaries & Benefits
- Fund Use Assurance
- Certification regarding Lobbying, Debarment, Suspension, etc.
- Drug-Free Workplace Certification

The following procedures will be explained in these instructions.

1. Creating a budget
2. Submitting a budget

- For security purposes, there are designated roles and permissions in Alabama Adult Education System for Accountability and Performance (AAESAP) for personnel to create, edit and submit the Adult Education budgets. Make sure all AE personnel have the correct roles and permissions.
- Be sure to create a user account for all AE employees. The User tab for each employee includes a separate page for the employee's general, employment and security information. Please make sure

that each page is accurately completed to include: the **correct work schedule and location, pay rate, funding source, estimated hours and benefits**. Once the User page is created/updated, each employee can be imported into the budget. On the employment page, be sure to enter the appropriate percentage of each employee's time dedicated to administrative tasks number in the Admin field (located on bottom right) for all applicable employees (% sign is not required).

CREATING A BUDGET

1. After you log into Alabama Adult Education System for Accountability and Performance (AAESAP), select Financial Period **October 2020 – September 2021** from the View Program page.
2. Select Create Budget for the appropriate funding source and a box will appear beside the word Reason. Enter "Original Budget" in the reason box. Selecting the preparer's name from the drop-down box. Click Save. For Budget amendments, the reason box must include the actual reason for the amendment.
3. Return to the View Program page and select Budget for the appropriate funding source. The budget line item grid will appear.
4. Click Salaries, then Import Employees and the employee information will be imported from the User Page.
5. All other budget line items will have a description line and a field to enter the dollar amount.
 - a. The description line will maintain a history, so provide explanations/descriptions as needed.
 - b. Enter on the comment line whether the employee is receiving a salary step increase.**
 - c. Enter Professional Development salaries and benefits for part-time employees including part-time future employees. At least **10 hours** of professional development should be budgeted for each part-time employee.
6. After entering your budget figures, return to the View Program page. Select the other applicable budgets and follow steps 1-5.
7. Once you have entered the amounts for all budgets, on the View Program Page, click on the plus sign beside Edit/Award and click Submit.
8. All applicable initial budgets must be submitted in AAESAP before Form 1 can be printed correctly.
9. After completing your data entry for all budgets, and clicking submit, go to Reports and select Form 1, Version 2. Select Program and Fiscal Year. Print **all** pages of Form 1, Version 2.
 - a. Form 1 Version 2, first page – is a Signature Page that lists all applicable original budget amounts, director's name, phone number, email address and signature lines.
 - b. Form 1 Version 2, second page contains information including reason, funding source, date submitted, phone number and email address of the budget preparer.

10. Return to Reports. Select Form 1, Version 2B. Select Funding Source and current Fiscal Year. Form 1, Version 2B is the budget line item page. Print this page for each funding source and place behind Form 1, Version 2.
11. Print all applicable forms for each budget (Form 1A, Form 1A1, Form 1B, etc.).
12. Print and sign one set of certifications and agreements.

SUBMITTING A BUDGET

1. Assemble printed budget forms as shown above under the FORMS heading by funding source.
2. Route for your system's approvals.
3. Scan and email all pages of the signed Form 1, Version 2 and all budget pages to your assigned accountant.
4. Scan and email any applicable agreements, MOAs, MOUs, etc. along with your budget (hard copies are not required). **If your college has an *acting or interim president*, the Chancellor is required to sign all MOUs and MOAs before they are submitted with your budget.** If your college has a permanent president, the chancellor is not required to sign the agreement.
5. After ACCS has received and approved the budget, you will receive an email verification from AAESAP and a scanned copy of your signed Form 1, Version 2.

GENERAL INFORMATION

- To be in compliance with Title II, section 241(a) Supplement Not Supplant, sub-grantees will be awarded a FEDERAL grant allocation amount and a STATE allocation amount.
- Employees paid from state funds must be paid from state funds for the entire FY 2021 (October 1, 2020 – September 30, 2021) and any related expenses for that employee (e.g., Travel and Professional Development) should be budgeted using the same funding source. The same applies with the use of federal funds. If an employee's job description changes, a change in the funding source may be allowed.
- Directors association dues can only be paid using state funds; please budget accordingly.
- All items purchased for instructional purposes, **must** remain within the classroom/on campus. Adult Education funds **cannot** be used to purchase items for students to remove from the classroom/campus or use for their job.

GENERAL INFORMATION REGARDING SALARY AND BENEFITS

1. Non- ACCS programs receiving Adult Education funds from ACCS are not required to use the Board of Trustees approved ACCS salary schedules to determine their employees' compensation. Such

institutions shall submit their governing board approved compensation/benefit leave policies to the ACCS for review and determination.

2. The program Adult Education director is the only AE employee who should be reimbursed from the C3 salary schedule. The maximum salary reimbursement shall not exceed \$89,426 (C3 Salary Schedule) for any Adult Education employee.
3. **Each full-time teacher employed by the agency/institution receiving Adult Education funds will be paid from the D3 Salary Schedule as a full-time 229-day contract employee based on 35 hours per week.**
4. **Adult Education teachers are entitled to 5 personal days (maximum of 35 hour) per year. Additionally, they will earn 1 day of sick leave per month, which is equivalent to 7 hours per month, for a maximum of 9 days or 63 hours per year. A maximum of 3 days or 21 hours is earned during the summer term. Any unused balance of sick leave accumulated at the end of the year will be carried forward to the next year.**
NOTE: This change became effective for all colleges August 1, 2019 or before. Each college shall be responsible for converting the data for retirement purposes. This is per MEMORANDUM 2019-EXE-036.
5. Part-time teachers working 19 hours or less per week will be paid from the agency/institution's (local) L Salary Schedule.
6. Initial placement on all salary schedules shall give all community, technical college and Adult Education employees' full credit for prior work experience in the public schools, colleges, and adult education programs in Alabama.
7. Instructional support staff is an individual employed by the agency/institution receiving Adult Education funds to assist teachers in a classroom setting. Full-time 40 hour per week instructional support staff will be paid from Schedule E. Part-time instructional support staff will be paid from the appropriate Schedule H, based on the number of hours worked per week.
8. A support staff (non-instructional) is an individual employed by the agency/institution receiving Adult Education funds to perform non-instructional support tasks in the adult education program. Examples include secretarial or data entry persons. 40-hour per week support staff will be paid from Schedule E. Support staff working less than 40 hours per week will be paid from the appropriate Schedule H, based on the number of hours worked per week. Support staff working less than 20 hours per week will be paid from the Agency/Institution's (local) L Salary Schedule.
9. Instructional support staff or support staff working less than 40 hours per week will be reimbursed from the appropriate "H" schedule below:
 - a. Schedule H20 = 20-24 Hrs. per week
 - b. Schedule H25 = 25-29 Hrs. per week
 - c. Schedule H30 = 30-34 Hrs. per week
 - d. Schedule H35 = 35-39 Hrs. per week

10. If you choose to pay your Adult Education employees amounts greater than those allowed in the respective salary schedules referenced above, the difference must be paid from a funding source other than Adult Education.

- Cost for collecting and analyzing learner retention data on a quarterly basis
- Cost for assessing/evaluating adult learner's satisfaction with the program
- Cost for developing and executing an intake/orientation process
- Cost for counseling adult students
- Cost for fostering local community's support for the program
- Cost for monitoring/evaluating classes
- Cost for developing and implementing curriculum

BUDGET AMENDMENTS

- Due to accountability, the following State Policy will apply:
- Expenditures exceeding 20% of an approved budget line item will not be allowable, therefore, a budget amendment to increase the line item and decrease another line item will be necessary before a purchase can be made.
- The EFFECTIVE DATE will be the date the budget amendment is approved by ACCS.

- A budget amendment submitted after the fact will not be approved, and the unbudgeted item will not be an allowable expenditure.

BUDGET AMENDMENTS ARE REQUIRED WHEN:

1. An additional State or Federal allocation is received (regardless of amount).
2. Adding a line item amount that was not approved in the original budget
3. Adding Non-Cap Equipment or Supplies/Computing Devices that were not originally budgeted
4. Increasing or decreasing a line item
5. Entering a name for a “Future Employee”
6. Changing a description or comment

BUDGET AMENDMENTS CAN BE APPROVED IMMEDIATELY BY THE ADULT EDUCATION ACCOUNTANT AFTER IT IS SUBMITTED IN AAESAP IF:

- Budget Amendment is emailed to the Adult Education Accountant
- Signature page is signed by the local Adult Education Director only
- There is NO change in funding (ONLY numbers 5 & 6 listed above)
- Local President/CEO allows amendments without his/her signature

Budget amendment numbers 1-4 will be forwarded to AE Specialists for further review. A signed Form 1 Version 2 must be submitted for all budget amendments.

CHANGE IN PERSONNEL

Please notify your assigned ACCS adult education accountant immediately after an employee begins or leaves employment. No employee should be removed from AAESAP but should be changed under the **User** tab to an inactive status.

PROGRAM MONITORING

The Alabama Community College will evaluate and monitor the effectiveness of the adult education and literacy activities, adult education programs, and other services, at minimum, on an annual basis. The evaluation and monitoring of the services and activities under the AEFLA Act will be completed based upon data analysis and site visits conducted at the State's discretion.

Monitoring is the annual, systematic tracking of adult education program implementation. It consists of examining the progress made in the project against the agreed upon goals set forth in the application for funds. The purpose of monitoring also provides the opportunity to make constructive suggestions or recommendations. It employs systematic collection of data and on-site observations by providing stakeholders the extent of progress and achievement of objectives, proper and lawful use of funds, and compliance with policies, guidelines, Adult Education and Family Literacy Act (P.L. 105-220), Alabama's Adult Education and Family Literacy Plan, and

the federal Uniform Grant Guidance document. The ACCS is responsible for developing monitoring instruments. A copy of the evaluation instrument will be provided to local programs annually, and prior to a monitoring visit, so programs can complete self-evaluations.

Risk Assessment: Review of the MIS Dashboard provides a real time picture of each grantee in all performance measures. All grantees are reviewed, at a minimum, annually, either by desktop/virtual or on-site monitoring. Each local program will receive an on-site monitoring review at least once within the grant period.

The order of the monitoring will be based on a program performance ranking. The ranking identifies programs at greatest risk of not meeting program goals, which establishes the monitoring order.

The various methods of evaluation and monitoring can be performed independently and/or a combination thereof, to include:

- **Desk-top/Virtual Monitoring:** Through continuous, routine data collection, review of the MIS performance dashboard, and reports from providers, desk-top monitoring informs state staff how a grantee is performing against expected results. Structured desk-top reviews are conducted with each local program. The review is followed by the local program developing a plan for continuous improvement, as a result of observations made during the review. A follow-up to the improvement plan is made via conference call. Once the improvement plan has been implemented, the state gauges progression of the plan with a follow-up desk-top/virtual monitoring.
- **On-Site Monitoring:** Program Management; Recruitment, Orientation and Intake; Retention, Assessment, Curriculum and Instruction; Transition and Support Services; Professional Development; and Program Performance shall be assessed using an ACCS-approved monitoring instrument.

The scope and depth of the evaluation and monitoring visit will be decided and be implemented in a way that allows ACCS/AE to determine the provider's ability and willingness to meet the intents and purposes of the *Adult Education and Family Literacy Act*, the requirements of the *National Reporting System for Adult Education* (NRS), and this plan. On-site program monitoring will be conducted by ACCS state staff who may be accompanied by a local provider.

The program's performance in each area or module of the [monitoring tool](#) (which can be found on the "Help/Resources" page of AAESAP) will be rated using the following scale:

- 5 Exemplary:** Consistently present and could be shared as a model.
- 4 Accomplished:** Present the majority of the time and of generally high quality.
- 3 Needs Improvement:** Present to some degree, but lacks quality and consistency.

- 2 Not Evident:** Unable to identify evidence of compliance.
- 1 Not Applicable:** The question does not apply.

The ACCS shall provide a copy of the documented monitoring report within fourteen (14) business days following the conclusion of the visit. The local provider shall respond within fourteen (14) business days of receiving ACCS's written report. The written evaluation and monitoring report will address specific findings and observations.

- **Findings:** Discoveries that are deviations from, or non-accomplishment of, those details or stipulations that impair the accomplishment of the intent and purposes of the Adult Education and Family Literacy Act, this plan, or initiatives directed by the Chancellor. Findings require a response and a remedy.
- **Observations:** Discoveries that may help improve those details or stipulations that may help achieve the intent and purposes of the Adult Education and Family Literacy Act and this plan, thus enhancing continual program improvement.

In some cases, agencies/organizations/institutions may be required to submit a program improvement plan or require additional monitoring such as:

- **Targeted Monitoring:** Targeted monitoring is performed to follow-up and verifies the satisfactory completion of findings identified during the performance of on-site monitoring. ACCS officials shall conduct a targeted monitoring visit after receipt of the provider's response addressing findings. The targeted visit shall be at a time when the provider has had time to implement and evaluate the remedy. Described measures, such as indicators of program quality, ensure that program services and activities take into account the findings of program reviews and evaluations.

Technical Assistance: A relationship between the ACCS/AE, contracted expert, or a local adult education director/teacher possessing specific technical/content knowledge and who provides information to address an identified need of a local adult education provider.

- Technical Assistance goals are designed to utilize recognized 'best practices' by adult education programs or individuals seeking answers to specific questions or problems identified during monitoring or evaluation visits.
- Technical Assistance relationships are program-focused, and may use an interactive, on-site/hands-on approach as well as telephone or email assistance.
- Technical Assistance delivery is generally short in duration and usually takes place as result of findings during monitoring or evaluation, or a request from a local provider, or as a result of policy changes.

OTHER AE PROGRAMS AND INITIATIVES

Non-Traditional High School Diploma Option Program (HSO or HSDO)

The HSO Program is a partnership between ACCS/Adult Education and the Alabama State Department of Education (ALSDE), which is an alternative to the GED high school equivalency, and is designed for students who have completed all of the required credits for graduation but failed the Alabama High School Graduation Exam (AHSGE), or students who have dropped out of the traditional high school setting having earned at least 10 credits.

The HSO Program provides two options:

Option 1 – For an adult who last attended an Alabama public high school and earned the required credits to graduate but did not pass the high school graduation exam.

Option 2 – For an adult who earned 10 or more credits from an Alabama public high school and requires additional credits for high school completion.

Students must meet eligibility criteria for both options.

For Option 1: Participant must have all 24 credits required to graduate from a traditional high school, or the number of credits established by the local school system that the participant last attended; participant must be at least 19 years of age (effective 8/1/2018); participant will have failed one or more parts of the Alabama High School Graduation Exam (AHSGE).

For Option 2: Participant must have earned at least 10 required graduation credits from an Alabama public high school; participant must be at least 19 years of age (effective 8/1/2018); participant must assess on the TABE (Test for Adult Basic Education) in the high intermediate level (grade equivalency of 6.0 or higher) in all three sub-skill tests for student to participate in HSDO (pre-test). After completing the requirements of the student's HSDO Plan of Instruction (POI), the HSDO student must then (as a completion requirement) obtain at least one EFL gain (in either Reading, Language, or Math) scoring at the ASE Low or higher level, **or** successfully complete at least one postsecondary, career pathway class.

The following is a list of forms associated with HSDO. The forms are housed in AAESAP under the "Help/Resources" link, and may be downloaded as needed: 1) Step-by-Step Guidance, 2) Eligibility Determination Form, 3) Transcript Request Form, 4) High School Transcript Audit Form, 5) Plan of Instruction (POI) for Option 1, 6) Plan of Instruction (POI) for Option 2, and 7) Non-Traditional High School Options Transcript.

SNAP/TANF Initiatives

These initiatives are a partnership with DHR for AE to provide education and training to SNAP/TANF clients, for which AE local programs receive reimbursement for the training which should be utilized for the local program's expenses related to career pathways and integrated education and training (IET).

SNAP Initiative FAQs

SNAP E&T FREQUENTLY ASKED QUESTIONS

1. What is SNAP E&T?
 - Supplemental Nutrition Assistance Program (formerly known as food stamps) Employment and Training
 - SNAP E&T is a funding source that allows states to provide employment and training and related supportive services to individuals receiving Supplemental Nutrition Assistance Program.
2. Are we only allowed to bill for ABAWDS (Able Bodied Adults without Dependents)?
 - No, the program now includes all SNAP recipients, not just ABAWDS.
3. How does the referral process work?

There are 2 types of referrals

 - Direct referral – student sent to program directly from the local DHR office or case manager
 - Reverse referral – submit names of possibly eligible students to the local DHR office or case manager
4. What is a reverse referral?
 - If you have a student you believe is eligible for SNAP benefits, you can refer them to the local DHR office or submit a list of the students. The office will then verify if the student is currently a SNAP recipient or eligible for benefits.
5. Who determines eligibility?
 - The local DHR office may verify student eligibility for E&T county with case manager.
 - **The state office will verify student eligibility for E&T counties without case managers.**
6. Can I bill for a student more than once?
 - You can only bill for a student once a year during fiscal year.
7. What is the difference between SNAP E&T vs. TANF?

- SNAP E&T – students must be enrolled in a state funded class, the project is 50/50 match funds so you will only receive ½ of the student rate
 - TANF – contract is for 100% funds, more focused on career pathways and student can be in a state or federally funded class
8. How much will I receive for each student?
 - **The rate per student is \$537.06 for Adult Ed, \$771.82 for RTW and \$1,212.12 for MSSC. The SNAP agreement is based on 50/50 funds so you will receive \$268.53, \$385.91 and \$606.06 respectively, for each SNAP recipient you serve.**
 9. If I have a student who is a SNAP recipient and TANF/200% eligible, can I bill twice?
 - No, you can only request reimbursement for a student through either SNAP or TANF, not both programs.
 10. What type of class does a SNAP student have to be enrolled in order to request reimbursement?
 - The student can be enrolled in ABE or a career pathway program.
 - The class may be **state or federally** funded.
 11. When should I bill for a SNAP student?
 - You can submit a request for funds for SNAP students after students attend 12 hours of class/training.
 12. How often should I submit a report?
 - You should submit the tracking spreadsheet on a monthly basis. The spreadsheet is due to Kimberly Atkins at the ACCS office by the 15th of every month.
 13. What are the training/program requirements for SNAP students?
 - Students should be enrolled in a structured program with the intensity and duration to lead to successful outcomes.
 14. What is a case manager?
 - A case manager is a local 3rd party organization that can provide supplemental services such as transportation and childcare to SNAP students.
 - Your case manager may refer students to you for educational services and you may refer your students to the case manager for other services.
 15. Where in my budget does the reimbursement go?
 - **Your business office should create a new budget for SNAP funds. The funds received are not part of your regular AE funds and should not be comingled**
 16. How can I use the funds I receive for serving SNAP students?
 - Funds received for serving students must be used to develop and expand career pathways.
 - **The funds are not restricted however, you must be able to show how funds are expended.**

17. Does the student receive any extra benefits for attending class/training?

- If a SNAP client is participating in a qualifying component (Work Readiness training, Adult Education, Work Experience, Vocational Training) participants will receive \$50 participation reimbursement semi-monthly on the 1st & 16th.

TANF Initiative FAQs

FREQUENTLY ASKED QUESTIONS (FAQ)

The majority of the potential students to be served will be qualified under the 200% of the poverty guideline option. Students who fall within 200% of the poverty guideline are eligible for TANF training, but not monetary benefits.

1. What is TANF?
 - a. Temporary Assistance for Needy Families
 - b. TANF is also known as welfare. The Family Assistance Program provides temporary cash assistance for basic needs to low income families with children under age 18 or age 19 if s/he is a full time student in a secondary school or in the equivalent level of vocational or technical training.
 - c. The Temporary Assistance for Needy Families (TANF) program is designed to help needy families achieve self-sufficiency.
2. Who is eligible to receive services under the AE/DHR agreement?
 - a. Adults who are referred from the local DHR office and/or adults identified from the AE program and verified by the state DHR office as being within 200% of the poverty guideline.
3. What services should I provide to students?
 - a. All services from AE begin with an orientation, enrollment, and assessment process. Students will be assessed and placed in an educational functioning level and must be reassessed for demonstrating level completions and achievement.
 - b. If your program has been directly contacted to offer JOBS, you must provide students with at least 35 hours of instruction/training each week.
4. What services can be reimbursed through the AE/DHR agreement?
 - a. You can only bill for training beyond the basic Adult Education classes (package 2 or package 3- Career Pathway, Ready-to-Work, MSSC, etc.) unless your local DHR office has directly contacted you about offering an Employment Preparation program (JOBS).
 - b. If you are offering the JOBS program, you can request reimbursement for your TANF JOBS students who are referred to you from the local DHR office (TANF recipients ONLY).

5. If a student who is already enrolled in Adult Education classes qualifies for TANF (monetary) benefits, what should I do?
 - a. The student will need to complete a TANF application and submit it to the local DHR office.
 - i. Programs can pick up copies of the applications and keep them on file or advise the student to visit the local DHR office.
6. Who qualifies students for TANF?
 - a. The DHR office is responsible for verifying eligibility for the program.
7. What is the difference between a TANF training eligible student and a TANF recipient student?
 - a. A TANF training eligible student is eligible to receive some TANF benefits, including training based on being within 200% of the poverty line. These students do **not** receive TANF monetary benefits. You should **not** report these students on your monthly TANF report if they are just enrolled in your GED or EPS/JOBS program.
 - b. A TANF recipient student receives all TANF benefits and is referred to your program **directly** by the local DHR office. You can request reimbursement for these students if they are enrolled in any of the 3 packages.
8. What is the 200% DHR form I received?
 - a. The form is to determine if a student falls within 200% of the poverty guideline and qualifies to be treated as a TANF student for Adult Education reporting purposes.
9. What if a student is TANF and SNAP eligible, can I bill twice?
 - a. No, you can only request reimbursement for a student through either SNAP or TANF, not both programs.
 - b. Adult Education advises to report the student as TANF if the student is eligible for both programs.
10. How can I use the funds I receive for serving TANF students?
 - a. All reimbursement received for serving TANF students should be used to create and expand your career pathway program.
11. How many hours are TANF recipient students required to receive each week? Do all hours need to be classroom hours?
 - a. 35
 - b. No, students can receive hours for homework, job search, etc. Discuss this with your local DHR office.
12. When should I bill for package 1?
 - a. You should only bill for package 1 if you have an agreement with your local DHR office to provide EPS/JOBS training and the local office refers actual TANF recipients to participate in the EPS program. The TANF recipient must attend 35 hours a week for a period no longer than 6 weeks.

- b. You can submit a request for reimbursement after the student has attended training at least **35 hours a week for 4 weeks**.
- 13. Do all TANF eligible students need to be enrolled in state funded classes?
 - a. No, TANF students can be enrolled in state or federally funded classes.
- 14. What packages are available for 200% TANF participants?
 - a. You can only bill for package 2 or package 3 for students who meet the 200% of the poverty guideline eligibility.
 - b. Students who are eligible based on the 200% eligibility must be enrolled in a career pathway, RTW or MSSC class in order to receive reimbursement.
- 15. When do I bill for package 2 or package 3?
 - a. You can bill for the full amount of package 2 or package 3 once the student receives the short-term or long-term certificate or completes the program.
- 16. What if the student leaves the program before they complete?
 - a. If a student attends at least 12 hours of training, you can bill for the number of days the student attended.
 - b. Once the student stops attending class, you can bill for \$50/day for each day the student attended class up to the amount of the total package (\$750 for package 1, \$1,500 for package 2 and \$2,500 for package 3).
- 17. When should I submit my TANF report?
 - a. You should email your monthly tracking report to Kimberly Atkins (Kimberly.atkins@accs.edu) by the 15th of every month.
 - b. You should submit a report even if you do not have any referrals/students for the month.
- 18. How should my business office manage the TANF funds received for the project?
 - a. Your college will need to create a new budget/funding source for TANF funds. The funds received can only be used to continue to create and expand your career pathway programs.
- 19. How long does it take a student to receive TANF benefits?
 - a. It normally takes about 30 days to verify all information and issue benefits.
 - b. If approved, the benefits will be effective as of the application date.
- 20. What are the financial requirements to be eligible for TANF benefits?
 - a. The child must be in need by agency rules and not have parents or stepparents who can support him/her. "In need" means the family does not have net monthly income that equals or is more than the payment standard and is eligible for at least \$10. The payment standard is listed below. In determining need, the income of all persons in the

assistance unit is counted. Before earned income is counted, a 20% work expense and childcare are subtracted from gross income.

FAMILY SIZE	PAYMENT STANDARDS	FAMILY SIZE	PAYMENT STANDARDS
1	\$165	9	\$395
2	\$190	10	\$425
3	\$215	11	\$455
4	\$245	12	\$485
5	\$275	13	\$515
6	\$305	14	\$545
7	\$335	15	\$575
8	\$365	16	\$605

“Family” means all persons included that make up the family size. Generally, persons to be included are the parents and brothers and sisters of the child(ren) living in the home. Other children related to the parent(s) such as stepchildren and nieces, etc. may be included. (If a child in a group of brothers and sisters is included, all his/her brothers and sisters who live in the home must be included if eligible.) The income of all persons in the unit is used to determine eligibility. A family with income that is equal to or more than the payment standard for the family size is not eligible for financial assistance.
