

March 9, 2026

To Whom It May Concern:

On January 9th, 2026, the Alabama Community College System (ACCS) issued a Request for Bid (RFB) No. RFB2026-0001-ACCS for the Joint Purchasing Agreement related to technology software, hardware and services. This RFB is intended for use by the Alabama Community College System and Alabama Higher Education Institutions.

I would like to thank all vendors for responding to this request by submitting a bid. An evaluation committee, comprised of two-year institution and System Office technology experts, reviewed all responses based on the criteria specified in the RFB. The scope of the vendors chosen should meet the diverse needs of the institutions within the ACCS and other Alabama Higher Education entities.

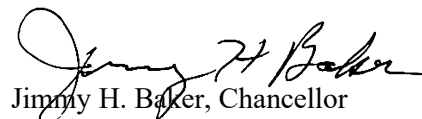

The vendors recommended by the evaluation committee, to whom I am awarding, effective March 9, 2026, are as follows:

Blue Plains Technology	Howard Technology Solutions	Reliant Media
C2 Technology Group	Insight	RJ Young
CampusCE	Logista	Sphere Audio Video
Clearwinds	MGT	Uniti Fiber
ConvergeOne	One Diversified LLC	Velocity 1
CSpire	Overwatch Security Advisors	

These vendors will become part of the ACCS Joint Purchasing Agreement for a period of one-year beginning March 2nd, 2026. Furthermore, the evaluation committee recommended an auto-renewal of this contract for a second year. Based on this recommendation, I am hereby granting the vendors of this contract automatic renewal on March 1st, 2027, for a period of one year, unless notice is provided by either part prior to the one-year anniversary date.

The ACCS appreciates your time and efforts in preparing your response to meet the technological needs of the Alabama Community College System as well as other public institutions of higher education.

Sincerely,
