RE: Joint Purchase Agreement: Memorandum of Understanding

2026 Alabama Community College System Information Technology Division Joint Purchase Agreement Memorandum of Understanding (MOU)

This memorandum serves as a notice of intent to renew the Joint Purchase Agreement Contract.

January 9th, 2026, the Information Technology Division of ACCS coordinated a joint purchase agreement by developing a Request for Proposal (RFB), evaluating bids, and selecting vendors that would meet the needs of our institutions.

The Alabama Community College System evaluated the bids and finalized an agreement. The result is an awarded list of vendors, located throughout the state and beyond to provide timely, reliable services and products. The finalized agreement expires annually with a renewal extension to extend the contract for an additional year.

According to the auditors, we should have a Memorandum of Understanding from you that states your intention to participate jointly in this contract. Please see the next page on the process for completing and returning this Memorandum.

As always, we thank you and appreciate your cooperation in this matter.
